

24 5. In or around late May or early June 2016, I was asleep when I was suddenly struck in the  
25 face by Mr. Marraccini. I don't know exactly how he hit me; I think either his elbow or fist hit me near  
26 my eye. I can't say for sure, but I believe he may have been asleep and involuntarily hit me somehow.  
27 I had a black eye for a day or two after this. (One of his friends told me that one of his ex-girlfriends  
28 also woke up with a black eye because Mr. Marraccini "accidentally" hit her while he was asleep).

2 6. In June 2016, Mr. Marraccini and I were out for a walk. While we were walking along  
3 the water, he grabbed me by my jacket and pushed me towards the water, acting like he was going to  
4 throw me in. (I had previously told Mr. Marraccini that I don't know how to swim). Later during the  
5 walk, we were passing by a shrub when Mr. Marraccini used one of his hands to shove me into it. He  
6 did these things as "jokes," but they felt somewhat aggressive.

Dasasmi Interview: E. 83 "I'm Not In An Abusive Relationship":  
<https://shorturl.at/fcll6>

Moyle: "So, as this relationship progresses and you're dating and you're trying to maintain a normalcy, you try to go through this and it escalates."

Laura: "Mmhmm."

Moyle: "Where did it begin to look like this was really something you needed to stop? What happened to get you to that point? Share that with us if you would."

Laura: "Yeah, absolutely. Um, so up until the point that we, uh, just finished talking about [just before Iceland- December 2016], **it had just been emotional abuse.**"

7 7. In June 2016, I found out that I was pregnant and felt very conflicted about whether to  
8 have the baby or terminate the pregnancy. I was diagnosed with polycystic ovary syndrome in 2010 or  
9 2011, which can cause infertility. I was afraid I might never be able to get pregnant again, but also did  
0 not necessarily feel ready to have a baby. I told Mr. Marraccini about the pregnancy and shared my  
1 feelings about terminating versus having the baby. Initially he was supportive about giving me some  
2 time to think about the decision, but said he thought it would be best if I had an abortion.

3 8. A day or two after I told him, Mr. Marraccini called me while on a trip with his friends  
4 and said that he decided an abortion was the best option for us. When he came back from his trip, he  
5 told me that if I had the baby, he would never want to meet the baby or be part of his or her life and that  
6 he would hate me for going through with the pregnancy. He said that if I had the abortion, it would  
7 prove to him that I was the type of girl he wanted to be with and would show him how much I valued  
8 our relationship. He said he wanted a future together and could see us having kids down the road, but  
9 that he wasn't ready to be a father yet. He promised to be there and support me after the abortion.

Was thinking about how nice of a time we ended up having last night when you came over. I finally believe you that you're not leaving me and are in this for the long haul. And so you know, if we are too early by a week and we have to come back (which I still think is a possibility), I promise you I won't flip flop. I'm crazy about you and can't wait for this to be over so we can have great times together. I know without a doubt in my mind we are doing the right thing today. Thank you for all your patience with me and believing in me. I've completely fallen in love with you and will see you later ❤️

I just don't want to be making a massive mistake. I was just thinking last night that my decision to terminate is really just because it wouldn't be convenient to have a kid and that that's very selfish of me to end a life because I don't want the responsibility. I need to come to terms with that.

10. Mr. Marraccini pressured to make an appointment at Planned Parenthood for the abortion.  
24 When I didn't do it fast enough, he scheduled it for me. Because I wanted to be with him and thought  
25 we could have a future together, and since I didn't want to bring a child into the world without a father,  
26 I decided to go through with the abortion. In July 2016, I terminated my pregnancy.

I read back your texts since last Friday. Yes, I can see where you took my insecurity as questioning your integrity and that wasn't my intention. I'm genuinely sorry. I've been on top of you and questioning you like we are on opposite teams. I am your teammate and your #1 fan but I see that I haven't shown that. I love you for your character, your integrity, your kindness, and how comfortable and special you make me feel. I'm sitting here thinking of all the fun things we will do together and great things we will accomplish together and it makes me feel very happy. I will call Planned Parenthood in the morning and set something up for Tuesday. You are a wonderful man who I am so excited to work towards having a family with in the future and I want to focus on that.

I've been sick the last hour and it's upsetting me that I haven't heard from you since we're a team in this. If we are completely sure we aren't going to go through with it even if it's twins it's important for me to lie down all day.

27 11. In the days following my abortion, I felt sad and started to feel immense guilt. I felt  
28 selfish for choosing my relationship with Mr. Marraccini over the baby. I grieved for the child that

4 would turn bright red. He'd ball his hands into fists and pump them at his side while pacing around.  
5 I was afraid of this side of him, which I hadn't seen before.

6 12. About one week after the abortion, Mr. Marraccini got mad when I told him I felt guilty  
7 about the abortion. He screamed at me. He said I needed to get over it and that he didn't want to stay  
8 with me for long if I couldn't. I felt betrayed since he promised to be there for me throughout the healing  
9 process. When I told him this, his response was, "I would have said anything to get you to abort."

10 13. Between July and November 2016, things between Mr. Marraccini and I were rocky. I  
11 continued to struggle with feelings of sadness due to the abortion. I would frequently try to talk to him  
12 about this, but whenever I brought it up, he just got mad and yelled at me. He'd say that I should be over  
13 it. He'd tell me that he wanted someone more cheery, like his ex-girlfriends were. He would regularly  
14 demean me. For example, he constantly told me I was "worthless" and "ugly" and said that nobody  
15 would want to be with me because of my depression. He criticized my performance and said that he was  
16 "just stating the facts" by telling me I was bad at my job. He started calling me "crazy" and telling me  
17 that I was mentally ill. He'd tell me that I was bipolar and needed to be medicated. I had never been  
18 depressed before having an abortion.

I really appreciate this long and thoughtful text. I'll try and break this down.

I have been offered the GoPro gig multiple times and it's a dead end job. It would cool for the time being, but it's not a smart career decision which is why I've never done that. You're right, I have talked about San Diego and I absolutely love it, but it's about a 5% chance of me moving. My family and all my friends are here and I can't imagine heading south. My dream would be to get a free place from my work in Oakland and buy a condo in sd and travel down whenever I want.

I also understand your concern about age, but Everyone has those fears. I'm 3 years older and think about it all the time. Age is a number and we are not in the 50s anymore where you're weird if you get married after 25.

Finally, I get the sense that I'm never going to be enough. Everyday you send/say the same things and I'm genuinely concerned if you'll ever be happy with me. I've only been honest with you and my integrity means a lot to me, but it never seems to be enough. Each day you need to reconfirm the situation and question my intent, which is incredible frustrating. I told you, if I wanted to leave, I would have already of done it. I've also asked you to not question my integrity and it keeps happening. This will be my last text regarding my honesty and integrity because it's been questioned each day we have talk/text. Please don't do it again.

With all that being said. I'm wanting to start something with you and am very excited for the future.

I think after this is finished tomorrow, it would be best for you to go and talk with someone. You're lack of trust is very apparent and I think it would be best to talk about our past, present and future with someone. And I'm not saying your crazy or anything, I just think people as experienced as them are very knowledgeable. I talk with our therapist all the time. :)

They said prob 24 hours and then I can do intensive outpatient if my psychiatrist approves it

13. Between July and November 2016, things between Mr. Marraccini and I were rocky. I continued to struggle with feelings of sadness due to the abortion. I would frequently try to talk to him about this, but whenever I brought it up, he just got mad and yelled at me. He'd say that I should be over it. He'd tell me that he wanted someone more cheery, like his ex-girlfriends were. He would regularly demean me. For example, he constantly told me I was "worthless" and "ugly" and said that nobody would want to be with me because of my depression. He criticized my performance and said that he was "just stating the facts" by telling me I was bad at my job. He started calling me "crazy" and telling me that I was mentally ill. He'd tell me that I was bipolar and needed to be medicated. I had never been depressed before having an abortion.

I wanted to say this. You and your family have been my saviors and guardian angels in what has happened to me. All of you have proven to be amongst the most selfless, caring, people my family has met and my parents want to know if they could take everyone out to house of prime rib for the holidays so we could show our appreciation and get to know each other better.

I took today to write down a lot of recurring complaints I have heard you saw about me so I can give them in therapy. I want you to know I listen and want to get better. You deserve the best girl on this earth and I know it's me. I will be a great mother to kids one day and you will be tremendous dad. I see this fabulous little family filled with so much love and honesty and happiness.

I will be THAT reliable of a partner, not being the one you have to worry about all the time. I'm gonna be the great Netflix and chill girl, hooking up in lingerie, glacier walking, spontaneous, NYE kissing, supportive, understanding, co dog owner, and eventually wife that you deserve and that is my life's mission that I will paint tomorrow. This place is absolute hell and I will never come back. Please text me back as soon as you get this and know how important you and your happiness is to me. I am learning the tools to make myself happy and in turn make you happy. I am here at least through tomorrow afternoon as I don't think I am ready to go home (even though the 24 hour hold is lifted) and then I am going to continue really thorough outpatient treatment in the mornings for a while.

Mike, you have meant everything to me. Your wellbeing, your happiness...I've genuinely tried and I've failed miserably. I just came to the conclusion last week that I will never get being a good girlfriend "right" and having a family down the line is the goal I've had for my life since I was little. But I just keep screwing it up and I've realized that maybe some people are just not meant to live long and have families. I am causing you and your family and my family so much pain by being around and it's not fair to anyone anymore. For as much as I try, I will always screw up, even though my intentions have always been good. But I don't want you to feel hurt and upset at me all the time and I really don't think there's anything I can do to rectify my actions. I truly took you for your words this weekend and I feel absolutely broken. I don't want to go on continuously making mistakes and embarrassing myself, all while unintentionally hurting people on the way, and I have genuinely come to the conclusion that this world, and the people in my lives, would be a tremendous amount better without me in them. I'm sorry for any pain I have caused and I promise you I will get rid of myself so there won't be more pain for you and you can find happiness because you deserve it more than anyone I know.

I'm sorry you feel that but that's ridiculous. You would cause so much pain to everyone if you ended your life. You need to work on you if you want an us which is what I've always stated. The mistakes that your making are from unrealistic expectations and giving ultimatums which isn't fair to anyone. We all care about you which is why we spent so much time talking with you this entire weekend.

I'm just asking for paperwork to check out. I can't do this. And the fact that you guys spent so much time talking to me means the world to me. But it doesn't change the fact that I can't get it right in the area that means the most to me. I literally just can't no matter how hard I try. I've always dreamed of being this confident girl that you would be so proud to be with and show off and no matter what I try to do, I'm not her. I know you're not proud to be with me and you're with me because I've forced you into it rather than because you really want to be with me. I'm not stupid. I don't want to waste your time anymore. It's not fair to you. Another girl can make you so tremendously happy and I just don't have that capability as much as I wish I did. Literally the last thing I want to do is force you to be with me. And I know you don't want to. I mean your reaction even with the Instagram of being so upset and embarrassed to be with me said enough. I understand. I wouldn't be proud to be with me either or want to like a photo with me. I'm sorry I've been such a pain in your ass. I genuinely just want you to be happy in the future and I can picture you being this tremendous husband and father to a family but I just need to come to terms with the fact that it won't be my family and that I did everything I could think of to try to make you happy but it just didn't work. I'm not capable of making you happy.

Laura, I don't think you understand what you did this weekend. This isn't some quick thing everyone just gets over. You caused a lot of tension and even a huge fight within my family while we were at the hospital because you had to have answers to your bf and iceland questions. If you don't get why I made the decision I did then you must think I have no compassion. I left the room of a dying man because to talk for you for hours and stressed all through the nights because I care so much about you

I emotionally hurt so badly right now and have hurt everyone around me so much. I literally have had this stupid picture in my head for months of us being together forever and having kids and being happy and I can't figure out how to do that. I just mess up. It's not even worth me trying. I just seriously need to be done. I feel like the worst person in the world for frustrating you so much and I know you will be better off if I'm not around. Maybe not initially, but in the long run it will allow you to find happiness with someone else and you deserve that so that's what I will do.

I forgot to tell you that my therapist is wanting me to set aside time at the end of each day to focus on what I am grateful for. I am so, so incredibly thankful for you and your care towards me. It's interesting because one of the things we talked about was "love" and how much anxiety I have had about that in our relationship. It really hit me over the head today that just over this past weekend, you SHOWED me the love more than I have ever felt from any guy. It really got me emotional. I feel your feelings for me and I didn't want you to think they went unnoticed. You are so wonderful and appreciated by me and I promise to show how lucky and proud I feel to be with you each day. My goal is to each moment with you and appreciate every baby step that eventually leads to big ones. You deserve the world and I am not just going to try, I AM going to give it to you as the great partner you deserve. Xoxo.

I am so looking forward to seeing you I can't even stand it. I just can't wait to start our "new" journey together and be the person I've always intended to be but haven't. I learned today that I have let so many insecurities and my desire to be perfect interfere with our relationship and realized you have never asked me to be perfect, but rather just to be myself. What I am grateful for with us from my counseling session on relationships today: you accepting me flaws and all, the way I feel your unconditional love, your kind and selfless heart, how I am always learning something from you, your patience with me, and your belief in me to be a better and stronger person even when I gave up on myself. I am seeing myself as a worthy person and partner now and realize I have a lot to give to you that you haven't seen yet. I want to do all the therapy sessions tomorrow so I will leave at 4 and be back by 5 or 5:30, really just can't wait to hold you and see your smile/make you smile. Xoxoxo

10 13. Between July and November 2016, things between Mr. Marraccini and I were rocky. I  
11 continued to struggle with feelings of sadness due to the abortion. I would frequently try to talk to him  
12 about this, but whenever I brought it up, he just got mad and yelled at me. He'd say that I should be over  
13 it. He'd tell me that he wanted someone more cheery, like his ex-girlfriends were. He would regularly  
14 demean me. For example, he constantly told me I was "worthless" and "ugly" and said that nobody  
15 would want to be with me because of my depression. He criticized my performance and said that he was  
16 "just stating the facts" by telling me I was bad at my job. He started calling me "crazy" and telling me  
17 that I was mentally ill. He'd tell me that I was bipolar and needed to be medicated. I had never been  
18 depressed before having an abortion.

1 A. Yes. They went to a horse show together.  
2 Q. How would you characterize Laura's relationship  
3 with, I believe it's your sister's fiance --  
4 A. Yeah.  
5 Q. -- or Colin Scanlon?  
6 A. Correct.  
7 Q. And describe what that relationship was like.  
8 A. They didn't really have a relationship. He  
9 witnessed a conversation one night, and then I think we  
10 went out to dinner a few other nights. So he rarely ever  
11 saw her, but the one conversation that he did, like, take  
12 witness to was Laura's father, Laura, and me, like, in  
13 December 2016 having a very serious conversation.  
14 Q. Okay. And what was the nature of that  
15 conversation?  
16 A. About Laura lying.  
17 Q. Okay. About -- lying about what?  
18 A. Essentially, a pregnancy, an abortion, and  
19 saying that she was creating these stories and her dad  
20 was there to, essentially, talk to me; and I wanted  
21 somebody there for my side to witness what I was going  
22 through.  
23 Q. And you called Colin to serve as that witness?  
24 A. Yeah. I wanted a non-bias, somebody that's not  
25 part of my family, to make sure that I'm not, like, going

1 crazy, that I was essentially hearing them correctly.  
2 And that's why I had him come because he's levelheaded  
3 and he's not biased.  
4 Q. And so did he witness the entire conversation --  
5 A. Yes.  
6 Q. -- that night.  
7 A. He did.  
8 Q. Okay. And what were the lies, the alleged lies,  
9 that Laura told?  
10 A. She said that she did have an abortion, and she  
11 didn't. She said that -- and we were talking everything  
12 about suicides, that she wanted to commit suicide. We  
13 talked about other lies that she said was about her  
14 pregnancy for the second time. She lied about that, and  
15 her dad confirmed that.  
16 She then went into talking about her  
17 antidepressant medications and her dad was just there to,  
18 essentially, tell me that -- what was then going on had  
19 to stop. And what he meant by that was her lying.  
20 Q. When you say she lied about the pregnancy, what  
21 specifically did she lie about?  
22 A. She said that she was pregnant twice over the  
23 course of, like, four months, maybe five months; and it  
24 wasn't true. She would go in to have, essentially, an  
25 abortion with no pregnancy.

11 LAURA OWENS,  
12  
13 Petitioner,  
14 vs.  
15 MICHAEL MARRACCINI,  
16 Respondent.

COURT NO. [REDACTED]  
DECLARATION OF WITNESS  
COLIN SCANLON IN SUPPORT  
OF RESPONDENT  
Trial: April 13, 2018  
Time: 1:30 p.m.  
Dept: 403  
Judge: Honorable Roger C. Chan

18 I, Colin Scanlon, declare and state as follows:  
19 1. I am the boyfriend of Respondent's sister, Stephanie Marraccini,  
20 2. I am 37 years old and am employed as a Real Estate Analyst. I am a resident of San  
21 Francisco and live in the Marina District;  
22 3. I had met Laura Owens several times while she was dating Michael Marraccini, including  
23 a dinner with her family at The House of Prime Rib;  
24 4. I specifically remember being called by Michael to come to Laura's apartment in  
25 December 2016 for a meeting with Laura and her father to discuss Laura's desire to continue the  
26 relationship with Michael. Laura had been claiming that she was pregnant and had been threatening  
27 Mike with not having an abortion if he ceased dating her. Additionally, Laura had been indicating to  
28

1 Mike that she was contemplating suicide at the thought of their relationship ending. Mike wanted me to  
2 be there as a witness;

3 5. During the meeting, which her father Ron Owens steered, Mr. Owens told Michael that  
4 his daughter had a tendency to exaggerate or even flat out make things up. Laura was complaining of  
5 depression and suicidal thoughts at the fear of her relationship with Michael ending and was very  
6 distraught.

7 6. During that meeting there was no discussion of Michael ever having been physically or  
8 psychologically abusive towards Laura. She did not complain at all about Michael's conduct towards  
9 her. Laura admitted that she was in fact not pregnant, and there was no need for an abortion. She also  
10 apologized for threatening to commit suicide. The meeting ended with no final decision on the  
11 relationship, just the agreement that Mike would not rush a decision, and for the two of them to continue  
12 to work through things. Mr. Owens was very thankful as he, Michael and myself left the apartment.

13 Mr. Owens advised Michael in the elevator on the way out of the building that he appreciated Michael  
14 agreeing to not end the relationship outright and see how it goes, and then advised him to get out in a  
15 few weeks when his daughter had a chance to calm down and get a handle on her depression.

16 I declare under penalty of perjury under the laws of the State of California that the above is true  
17 and correct to the best of my knowledge. Executed this 27 day of March 2018 in San Francisco, CA.

COLIN [REDACTED]

19 I, Stephanie [REDACTED] declare and state as follows:

25 10. In November of 2016, Michael called me distraught at how Laura lied to him about  
26 getting an abortion and that he needed someone to come over to Laura's as he needed a witness. I asked  
27 my boyfriend, Colin [REDACTED] to walk over to listen as Laura had called her father to come to her  
28 apartment. Colin heard Laura admit to lying about the abortion. She justified her behavior by saying she

1 didn't want to lose Michael. Laura's father, Ron Owens told Michael that he needed to end the  
2 relationship. Mr. Owens told Michael that Laura makes up stories in her head and then believes them.  
3 Colin witnessed this meeting and heard this conversation.

4 I declare under penalty of perjury under the laws of the State of California that the above is true

19 14. It was also during this time- between July and November 2016- that I was spending a lot  
20 of money on Mr. Marraccini. In the beginning of our relationship, he would pick up the check when we  
21 went out for dinner or we would split it. After a month or so, he stopped doing this and would allow the  
22 bill to sit on the table until I paid it. By late Summer 2016, it became implied that I would pay for  
23 everything. Then, starting in or around October 2016, Mr. Marraccini wanted to go out to fancy dinners  
24 several times a week, which I paid for. In November 2016, he started calling me his "sugar momma."  
25 In 2017, after he lost his job, he started asking me to pay for his rent (which I did on a couple of  
26 occasions). He also asked me to take him on multiple vacations and buy him a \$10,000 watch, which  
27 I did. I felt like he was taking advantage of me, but I loved him, so I did what I could to make him  
28 happy.

Okay, this is going to be hard to respond to, but I'll give it my best shot. Your first paragraph is incorrect. Its plain and simple. I think you're very generous and always wanting to do something fun, which is why you book the trips, but you usually do it without me knowing about it or chatting with me. Don't get me wrong, I really appreciate Iceland, Napa and Dubai, but I've had talks with you previously about no more trips until we figure out us. If you remember correctly, I had to be convinced to go to Iceland after what transpired. In regards to David, I know you do not dictate what happens with him.... But I think you have said things that were unnecessary and probably slowed down this process. At this point I look at the radio not happening. Im happy it worked out for you, but I am not going to invest anymore time into. In regards to the horrible qualities comment. I think your missing the point of why I have trust issues. First, you lied about pregnancy. Not once, but twice. Then you have these suicidal thoughts that were terrible and lasted for months. It was manic depression and it through me for a whirlwind. I don't think you realize the amount of stress that put on me and my family, so yes, Im going to take my time when it comes to a decision. Im sorry if that doesn't meet your timeline, but I need to look out for myself in regards to happiness.

In the third paragraph you talk about suicide and not having control of the relationship. First, Im glad that you understand that your actions have consequences, but I don't think you truly understand or else you would stop asking me the same question on a daily basis. When talking about control of your relationship, I don't get that statement at all. Because Im unsure about you emotionally means I have all the power? You can pull the plug whenever you want, just like me, so neither of us has more power than the other. I think because its not going exactly the way you want, it means that I have more power, which is not correct. I think you need to approach this maturely and see that I was affected by it. If I don't get over it in time, then I can see where an ultimatum is given, but you ask me the same question on a daily basis like I'm going to change my mind in 10 hours.

I know you love me. I really care about you, which is why I still want to keep seeing and spending time with you. I think we connect in a lot of ways and that we have more pros than cons. I just need you to take a step back and relax when it comes to pushing me towards what you want. I have always been honest with you and never steered you the wrong way, so I would appreciate you just relaxing on the interview questions on a daily basis.

If we go on the trip, I think it will be really fun. If we don't, I totally understand and would not hold anything against you.

14. It was also during this time- from July and November 2016- that I was spending a lot of money on Mr. Marraccini. In the beginning of our relationship, he would pick up the check when we went out for dinner or we would split it. Because I just spent a fucking fortune on a watch on a dude who gets angry about the issue of "love&quot; after we've been dating for fourteen months...like if I even bring it up, you're done. Love is important to me. Mike, and my gestures have been guided by it, including the watch purchase. I want us to work towards having such a love that we both spend time trying to come up with ways to make the other ordinary feel special. The longer it goes, the harder it is to repress my feelings. I was so up in the air on buying the watch but I pulled the trigger because I love you and I know you would love it. I'm not just gonna give it to a guy who doesn't think I'm special enough to be loved. This makes me because I just love all of your edits and qualities

Laura... I said if you bring up the same fight daily, then it pushes me away. I understand you want me to say it and shout it from the rooftops but that's not the type of guy I am especially with everything that has happened lately. I've been depressed, dealing with my mom, Wayne's death, my sister being in rehab and me starting a new job. There is a lot of my plate right now and I would appreciate you taking a step back and chilling the fuck out. Everyday you're on me for the same shit like I forgot that you brought it up the previous day. I understand what you want and have understood it the other 100+ times you have brought it up. You were the one that told me about your deadline, not me. So please stop throwing that in my face as well.

Yep I gave my dad the watch and his broker is gonna come by his place this weekend and swap it out (my dad is also shopping for something for my mom so it's not like he has to make a special trip)

Btw, I seriously feel awful about this, but your watch isn't coming until Friday. I only found out early this morning that it wasn't being delivered today. I'm having it go to my parents' house now since my dad is going to be there while I'm gone. He said he's happy to give it to you so you can have it before Sunday.

14. It was also during this time- between July and November 2016- that I was spending a lot of money on Mr. Marraccini. In the beginning of our relationship, he would pick up the check when we went out for dinner or we would split it. After a month or so, he stopped doing this and would allow the bill to sit on the table until I paid it. By late Summer 2016, it became implied that I would pay for everything. Then, starting in or around October 2016, Mr. Marraccini wanted to go out to fancy dinners several times a week, which I paid for. In November 2016, he started calling me his "sugar momma." In 2017, after he lost his job, he started asking me to pay for his rent (which I did on a couple of occasions). He also asked me to take him on multiple vacations and buy him a \$10,000 watch, which I did. I felt like he was taking advantage of me, but I loved him, so I did what I could to make him happy.

I don't care about this anymore. I care about you.. I was trying to help you out this entire time and was just extremely excited about getting it. Until this morning I was freaking out and counting down the days. Today just doesn't make sense though. Nothing you've said has made sense and you're saying that I'm attacking you when I was asking you basic questions. Basic questions that anyone would ask. If it's fake, I wouldn't care. That's not the point of it anymore. You've tried to turn this around into me being ungrateful when all I was trying to do was help find out the answers. Believe me, I'm done talking about the watch

Hey, I hope your weekend was great! I'm trying to get jewelry insurance after an incident happened this weekend. Did you ever find that paperwork for the watch? I tried calling panerai and they said to do a thorough search before calling it in because the process is lengthy of getting new paperwork.

Declaration of Laura Owens

15. I really wanted our relationship to work, but I felt like Mr. Marraccini did not like me and didn't want to be with me. When I would ask him if he wanted to break up, he said that he did not and would tell me he really cared about me and thought we could work through our issues. This happened multiple times throughout our relationship. I felt like he wanted to continue dating me for the money and connections that my father's local fame provided, but that he didn't care about me.

We have been having the talks biweekly for over a month now. We are still very early in our relationship and you pushing isn't helping. I'm not asking you to back off on loving me, I'm asking you to stop pressuring me to be on your same level. If you can't handle that, then I would suggest backing off. I really care about you and think this pregnancy has added a lot of stress that puts a strain on our relationship. Once we move past this, I see us being in a much better spot.

I've tried calling you multiple times and it doesn't go through, so I'll try and address this over text. I don't get annoyed when you say "I love you," I get annoyed when you say "I'm here for you if you need to talk and want to make you the happiest person on earth." It was very kind the first time and even second and third time you said it, but you say it everyday and simply don't understand what makes me happy. I want to not be pressured, I want a week where we aren't dealing with a pregnancy, I want a week where everyone is healthy and most importantly I want a week where I can be me. For the last 8 weeks, there has been a ton of stress and pressure on US, which we shouldn't have this early in a relationship.

And Everybody is different the way they express themselves and you and I are obviously different. I wait for the right time to say and do certain things, but it's not like I don't think about it. I care about you obviously a lot more than you can see, but every time I start opening up, you're on me about something random. I'm not pointing my finger and telling you this is your fault because that would be idiotic on my part, but I'm asking you to just relax and let us play out like a normal couple.

I'm sorry you feel that but that's ridiculous. You would cause so much pain to everyone if you ended your life. You need to work on you if you want an us which is what I've always stated. The mistakes that your making are from unrealistic expectations and giving ultimatums which isn't fair to anyone. We all care about you which is why we spent so much time talking with you this entire weekend.

If you just relaxed and acted yourself instead of trying so hard things would probably be different. Okay, this is going to be hard to respond to, but I'll give it my best shot. Your first paragraph is incorrect. Its plain and simple. I think you're very generous and always wanting to do something fun, which is why you book the trips, but you usually do it without me knowing about it or chatting with me. Don't get me wrong, I really appreciate Iceland, Napa and Dubai, but I've had talks with you previously about no more trips until we figure out us. If you remember correctly, I had to be convinced to go to Iceland after what transpired. In regards to David, I know you do not dictate what happens with him... But I think you have said things that were unnecessary and probably slowed down this process. At this point I look at the radio not happening. Im happy it worked out for you, but I am not going to invest anymore time into. In regards to the horrible qualities comment. I think your missing the point of why I have trust issues. First, you lied about pregnancy. Not once, but twice. Then you have these suicidal thoughts that were terrible and lasted for months. It was manic depression and it through me for a whirlwind. I don't think you realize the amount of stress that put on me and my family, so yes, Im going to take my time when it comes to a decision. Im sorry if that doesn't meet your timeline, but I need to look out for myself in regards to happiness.

In the third paragraph you talk about suicide and not having control of the relationship. First, Im glad that you understand that your actions have consequences, but I don't think you truly understand or else you would stop asking me the same question on a daily basis. When talking about control of your relationship, I don't get that statement at all. Because Im unsure about you emotionally means I have all the power? You can pull the plug whenever you want, just like me, so neither of us has more power than the other. I think because its not going exactly the way you want, it means that I have more power, which is not correct. I think you need to approach this maturely and see that I was affected by it. If I don't get over it in time, then I can see where an ultimatum is given, but you ask me the same question on a daily basis like I'm going to change my mind in 10 hours.

I know you love me. I really care about you, which is why I still want to keep seeing and spending time with you. I think we connect in a lot of ways and that we have more pros than cons. I just need you to take a step back and relax when it comes to pushing me towards what you want. I have always been honest with you and never steered you the wrong way, so I would appreciate you just relaxing on the interview questions on a daily basis.

If we go on the trip, I think it will be really fun. If we don't, I totally understand and would not hold anything against you.

I care about you a ton and obviously want to be with you. But part of me is beyond tired of your nagging. I don't want to keep dealing with the same questions from you on a daily basis on top of the other ridiculous shit you say to me. I told you that silence is okay sometimes and we don't need to always be talking.

I don't care about this anymore. I care about you.. I was trying to help you out this entire time and was just extremely excited about getting it. Until this morning I was freaking out and counting down the days. Today just doesn't make sense though. Nothing you've said has made sense and you're saying that I'm attacking you when I was asking you basic questions. Basic questions that anyone would ask. If it's fake, I wouldn't care. That's not the point of it anymore. You've tried to turn this around into me being ungrateful when all I was trying to do was help find out the answers. Believe me, I'm done talking about the watch

Darling. I said i guess that makes sense. I'm not calling you out or saying it in a negative tone. From my point of view it doesn't make sense, so I looked at it from your shoes and said I guess I can see that.

Was thinking about how nice of a time we ended up having last night when you came over. I finally believe you that you're not leaving me and are in this for the long haul. And so you know, if we are too early by a week and we have to come back (which I still think is a possibility), I promise you I won't flip flop. I'm crazy about you and can't wait for this to be over so we can have great times together. I know without a doubt in my mind we are doing the right thing today. Thank you for all your patience with me and believing in me. I've completely fallen in love with you and will see you later ❤️

16. In November 2016, Mr. Marraccini and I went to a Tony Robbins conference (which he asked me to pay for). He said the conference would help our relationship by helping me to get over the abortion. He was struggling at work and told me this conference would help give him more direction to find out what he really wanted to do, which he said would make him a better partner. During the conference, Mr. Marraccini emotionally and verbally abused me, often in front of other people. For example, journaling and sharing within a group was an important part of the conference. Every time I shared with the group what I had written, Mr. Marraccini laughed at me, made fun of me, and put me down in front of everyone else. I was in tears throughout the conference because of his beratement. Once when I was crying, one of the people who worked for the Tony Robbins Corporation approached me and asked if I was okay. They told me they had overheard Mr. Marraccini putting me down and asked if I wanted to break up with him publicly on stage. I felt ashamed and said no.

AHH EXCITING QUESTION TO ASK YOU! Just spoke w my boss at the radio station on the phone and I mentioned how much I love Tony Robbins. He said the station has two free tickets to his four day program in San Jose - are you in? It's apparently super expensive to do it but supposed to be life changing. Think it might beat us going to counseling lol!! Told him I would get right back to him

I just want us to do our best after this. I will wake up and be a different persons, not needy, and I know we can do this if we try. I think we can use Tony Robbins seminar as a way to bring us closer and use that as a goal. I think that's a perfect bf/gf thing to do. And I think it will get us back on track. Do you think that sounds right?

Also I want you to know before this that I love you.

Let's just work on us as best as we can until the seminar and be our best and a team without a break up threat.

If some reason we are not getting along after that then we can figure it out but I just don't want to have the threat of it ending tomorrow or in a week or whatever. Let's just give it our best. Please.

Just wanted to let you know that when I woke up, I felt totally at peace with what we did for the first time as well and a renewed understanding of what needs to be fixed. Maybe that's all because of a miracle session I had over the phone with a really kind psychotherapist too. This chapter is done and I'm exciting for our next.

But my heart is filled with hope, empathy, and gratitude for the support you have me during be rough times. My phone counselor, Brittany, really helped me see that and I will meet with her in person next week.

She just made me realize there is so much hell going on in the world right now that makes it hard focus on the positive. But we have so much positive!! Our relationship and and will be beautiful.

I love you, can't wait for cuddling and eating ice cream out of the tub as much as I'm looking for forward to cooking and Tony Robbins adventures and places and like Hawaii or Iceland and beyond.

I'm happy this is over, babe. We have way more to do together before we would want kids involved. And we need to not make this every night that we see each other every night to start, it should be when both people want to be together equally. I want is to be 50/50, I promise to be your partner, and I promise to not be a stubborn, needy bitch...instead being your loyal girlfriend who brings a smile to your face.

Truly cheesy but how I will live my life from point outward. I don't feel loss, I feel excited for what's ahead. Does this put a smile on your face too? Here for you 24/7 :) I thought about this a lot and hope it makes you as happy as it made me. Mike and Laura 2.0 :)

Hey, I watched the Tony Robbins special on Netflix finally and I'm so pumped up about life and opportunities from watching it! Dinner with my parents is Thursday now. My dad said he made three reservations, one at Maybeck's, one at Hakkasan, and the other at Palio d'Astia...all at 7. So we will just decide closer to the day I guess lol.

Also, I'm lying in bed and was going through pics and found this. It just made me smile. I was going through Instagram and looking at so many cool vacation spots and thinking we should cross one of them off soon with the two deals I just closed this weekend. My treat. I'm just dying to go somewhere tropical (and join the mile high club 🍷) and I've really never been anywhere cool before. Finally, I say it all the time but I just want you to always know I'm here for you if you want to talk about anything with me. I really want to learn to understand how to give you what you need most at any given moment and I'm definitely learning and understanding that sometimes I just need to let you come to me. I just never want you to think that me not writing/calling you means I don't care, which is why I do it so much and probably has been annoying on both ends. I think you do know I care at this point though :)

Anyway, I hope the wedding was beautiful and that you go to bed knowing how much of a treasure you are in this world to so many people, most definitely me. Sleep well and I will see you tomorrow my ❤️!

How's your day going? Your Instagram is so 🍷, I feel bad saying you'll be at a courtyard for Tony Robbins. Doesn't quite compare to the post ranch inn from what I've seen...🍷

OMG, I just thought I would stop by SAP on my way home to register...I didn't see where the line ended! It circled the block!!

18 17. After the conference, in late November or early December 2016, Mr. Marraccini and I  
19 took a break. He told me that it was unnatural for me not to be over the abortion and that he didn't want  
20 to be with someone who was depressed. He told me he would only be with me if I was medicated.

21 18. During this time, I sought treatment for the depression that Mr. Marraccini insisted I  
22 suffered from. A couple of weeks later, he asked me to dinner at my favorite restaurant, and we started  
23 seeing each other again.

I'm not entirely sure but I saw the psychiatrist today and she said she wants to write me a prescription for a service dog BC she thinks it would really help my anxiety. So I can technically have whatever kind I want, but I'm thinking a golden. What kind do you think would be good?

I got to check my phone one more time. I am praying nothing happened to you and that your stepdad is getting better. I'm so sorry for what I put you through and care about you more than you know. This place is absolute hell and I will never come back. Please text me back as soon as you get this and know how important you and your happiness is to me. I am learning the tools to make myself happy and in turn make you happy. I am here at least through tomorrow afternoon as I don't think I am ready to go home (even though the 24 hour hold is lifted) and then I am going to continue really thorough outpatient treatment in the mornings for a while.

(The trip cost at least \$15,000, and I emptied my childhood savings account to pay for it).

Hotel Silica would be open anytime after January 5 if we didn't go for the New Year. This is open and just a 5 min walk to the blue lagoon: <http://www.booking.com/hotel/is/northern-light-inn.html>. Radisson Blu Saga Hotel, Reykjavik is another option. This page is great too: <https://guidetoiceland.is/nature-info/what-to-do-in-iceland>

18 Q. Okay. When did you and Laura decide to go to  
19 Iceland?  
20 A. We never decided. She bought the ticket and the  
21 trip without my knowing, and it says that in the text  
22 messages.  
23 Q. Which I haven't had a chance to review.  
24 A. Well, I sent it to her mom. That was the one I  
25 wrote to her in December, and so you do have those.

Though

9 21. During the flight from San Francisco to Reykjavik, Iceland, Mr. Marraccini berated me  
10 nonstop for hours. He criticized me for nearly everything I said or did. If I turned my head to look at  
11 him when he said something, he'd criticize me for turning too quickly, telling me that my reflexes were  
12 "unnaturally fast" and that there was something wrong with me. He criticized my career and told me  
13 I was bad at my job and was worthless. He told me I was "ugly" and that nobody else would ever want  
14 to date me. When I would try to kiss him and cheer him up, he'd tell me I was "gross" and a bad kisser.  
15 He said I was bad in bed. Then he said he wanted to have a threesome since sex with me was so boring.  
16 He suggested a threesome with my sister or with a black man. He said it would turn him on to watch  
17 someone else have sex with me. I told him no and that I felt uncomfortable. He seemed to enjoy putting  
18 me down. His criticisms went on for hours, and I cried on and off throughout the entire flight.

12 Q. On the December 2016 flight to Iceland, was  
13 Laura upset?

14 A. Yes.

15 Q. What was she upset about?

16 A. She was upset that I wasn't saying that we were  
17 in a relationship. She wanted me to go on social media  
18 and say that we were boyfriend and girlfriend.

19 Q. And why didn't you want to?

20 A. Because I had just witnessed her wanting to  
21 comit suicide a few days prior and for the duration of a  
22 month. So I said that I wanted to take it a day at time.  
23 "You had to earn back my trust."

24 Q. Did you feel -- how do you feel Laura violated  
25 your trust?

877.451.1580 MICHAEL MARRACCINI 06/13/2018 www.aikenwelch.com

Page 66

1 A. I felt like she violated because she was an  
2 emotional roller coaster. Like I said, I just felt like  
3 she would say one thing and then the next moment she'd  
4 feel something differently. And so I couldn't trust her  
5 in that sense. I couldn't trust that I was going to have  
6 a stable emotional relationship with her.

7 Q. So she was upset that you wouldn't post on  
8 social media that you were in a relationship with her?

9 A. Yeah. She was just upset that I wasn't  
10 forgiving her for what she had just put me through  
11 because she'd ruined the holidays for my family.

5 Q. So on the flight was Laura crying?  
6 A. Yeah.  
7 Q. And did you try to comfort her at all?  
8 A. In the beginning I did.  
9 Q. How would you -- what would you say to her to  
10 comfort her?  
11 A. Like, "We'll take it a day at a time. We're  
12 going on a trip together. Stop focusing on what other  
13 people think of our relationship and focus on, like,  
14 trying to have a good time." And she kept bringing up  
15 the past, like, if I forgive her. "Do you forgive me for  
16 lying to you? Do you forgive me about being suicidal?"  
17 And I would say -- I mean, I would say that I'm not -- I  
18 forgive her, but I'm not ready to take the next step in  
19 our relationship and just be gung ho like nothing  
20 happened.

21 Q. So she was -- I just want to understand what she  
22 was seeking your forgiveness for.

23 A. For lying to me.

24 Q. About what?

25 A. An abortion.

877.451.1580 MICHAEL MARRACCINI 06/13/2018 www.aikenwelch.com

Page 68

1 Q. Okay. Was there anything else she was asking  
2 your forgiveness for?

3 A. Well, she -- I mean, it was mostly for lying to  
4 me. I didn't -- I had trust issues with her and her  
5 family because her family said that they also lied, like,  
6 to cover up, especially the night where Colin Scanlon,  
7 myself, Laura, and Laura's dad met up. He had admitted  
8 that she was lying and making up stories, and so that's  
9 what she was apologizing for.

14 Q. So back to the flight. Were you upset with  
15 Laura on that flight?

16 A. In the beginning absolutely not. I mean, we had  
17 delays in our flight, but it was, like -- that wasn't a  
18 big deal. I think towards -- she kept asking me the same  
19 questions. So I said "My answer isn't going to change  
20 just because you've asked me ten times."

21 Q. What was that question?

22 A. If I would, essentially, forget everything that  
23 happened, and I said "No. I'm not going to forget  
24 everything that happened. I will forgive you, but I will  
25 not forget it."

877.451.1580 MICHAEL MARRACCINI 06/13/2018 www.aikenwelch.com

1 Q. Okay. And so then what happened?  
2 A. She got very upset, and I -- she got upset  
3 multiple times on the flight. But that time I just,  
4 essentially, just tried to sleep while she was upset.  
5 Q. I'm sorry. I couldn't understand you. You said  
6 you were trying to sleep? Or she was trying to sleep?  
7 A. No. Because it was a long flight, I tried to --  
8 after our discussion, I just tried to go to sleep, and  
9 she would just keep trying to wake me up to ask me if my  
10 answer had changed. And so after she was crying, I tried  
11 to console in the very beginning, and then this kept  
12 going on. And so then I finally just stopped consoling  
13 her and just tried to, essentially, sleep. I would get  
14 up and walk around the plane because it was a long  
15 flight, and then I would come back to my seat and try to  
16 go to sleep.

17 Q. Were the -- did you criticize her at all on that  
18 flight?

19 A. I told her that -- I think I probably called  
20 her -- probably. I mean, I probably said that she needs  
21 -- she's got to be realistic and so to stop acting crazy.  
22 I would say I probably said something along those lines.

17 Q. So do you remember getting mad at Laura and  
18 yelling at her on that flight?

19 A. I wouldn't say I yelled at her. I never yelled  
20 at her. We're on a flight. I would not do that. I was,  
21 essentially, upset. Absolutely. Like, we were both  
22 upset.

23 Q. Would you say you raised your voice?

24 A. To where the person in front of us would hear  
25 us? I mean, we were having a conversation on a redeye

877.451.1580 MICHAEL MARRACCINI 06/13/2018 www.aikenwelch.com

10 Q. Okay. Have you ever called Laura ugly?

11 A. No.

12 Q. Have you ever told Laura she's bad at her job?

13 A. What's her job?

14 Q. You tell me.

15 A. She raced horses; so no. She would win all the  
16 time at riding horses; so no.

17 Q. Did you tell Laura that she was boring in bed?

18 A. No.

19 Q. Did you recommend or ask Laura if she would have  
20 a threesome with her sister?

21 A. No, I did not.

22 Q. Were you aware that other people could hear you  
23 during that flight?

24 A. I think anybody could hear us. I just said that  
25 because we were having a conversation on a redeye flight.

877.451.1580 MICHAEL MARRACCINI 06/13/2018 www.aikenwelch.com

24. In the middle of the first or second night of our Iceland trip, I was sound asleep when Mr. Marraccini woke me up by screaming at me. He was in a rage, the likes of which I had never before seen. He was furious at me for sending a photo of us in Iceland to a friend of mine via Snapchat (which got back to him via another friend). I didn't think I had done anything wrong and couldn't understand why he was so mad, but he just kept screaming at me. He said he didn't want people to know he went to Iceland with me since he told everyone he was going alone. He told me he was embarrassed to be seen with me (throughout the trip he didn't want me in any of his social media posts or photos). Then he told me that if I went along with what he wanted and was "good" on the trip, that maybe he would post photos of us together and tell people he was with me. He insulted me and put me down, repeatedly calling me a "fucking psychopath" and "crazy." As he was screaming at me, I pulled out the note from the Wow Airlines passenger. I told him he treated me so badly that even a total stranger was concerned for my wellbeing, but he didn't seem to care and just brushed it off. I had never seen him so enraged and was afraid he would snap and hurt me. I felt like he wasn't even treating me like a human being. I cried myself to sleep that night.

25. When I woke up the next day, on or around January 1, 2017, Mr. Marraccini was in a totally different mood. He said he wanted to have a good trip and start things off differently. He started

10 Q. On New Year's Eve you said that you and her got  
11 into an argument?

12 A. Yeah.

13 Q. Did you wake her up in the middle of that night  
14 because she had sent a photo of the two of you to a  
15 friend of hers?

16 A. Did I wake her up? No.

17 Q. Were you upset because she sent a photo of the  
18 two of you to a friend of hers?

19 A. I asked why she would do that, but I was not  
20 upset in, like -- or did I yell at her or something along  
21 those lines? No.

22 Q. So was that part of what you were arguing about  
23 was the fact that she sent a photo?

24 A. That had nothing to do with what our argument on  
25 New Year's night. That was after the fact. That was,

2 to kiss me. While we were making out, he used both of his hands to shove me into the headboard,  
3 causing my head to slam into it. (He had never been rough with me like this before.) Then he started  
4 to have sex with me. As he was having sex with me, he put his right hand around my neck and strangled  
5 me. I was having trouble breathing and started gasping for air. When I did this, he asked me if I liked  
6 it. It was hard to talk, but I managed to say "no." He strangled me until he climaxed. Then he got off  
7 of me. I felt shocked and deeply confused. My neck and throat were sore. I remember lying in bed and  
8 staring at the wall for a long time trying to wrap my head around what he had just done to me. Mr.  
9 Marraccini just went back to sleep.

10 26. Later that day, Mr. Marraccini wanted to have sex again. I wanted him to be affectionate  
11 and loving towards me and didn't think he would hurt me again since it had never happened before.  
12 While we were having sex, he told me to pick a number. I said "40." Then he used his open hand to  
13 slap my butt really hard. I said "ouch!" and told him that hurt. Then he slapped my butt again. I told  
14 him to stop, but he kept going. He slapped me 40 times in a row and counted down from 40 each time  
15 he did this. He told me that the harder he hit me, the more it turned him on. After we finished having  
16 sex, my butt was stinging and was bright red. I felt ashamed that I had allowed somebody to do that to  
17 me. The next day, we talked about him slapping me. I told him I didn't like it and that he hurt me.

18 27. Throughout the rest of the trip, Mr. Marraccini wanted to have sex daily. Every time we  
19 had sex, he strangled me and hit my butt with his bare hand repeatedly. This happened between 12 and  
20 15 times. My butt was bruised and sore from him hitting me. I asked him to stop slapping me every  
21 time, but he just laughed. Given his temper, and since he is so much bigger than me, I felt like there was  
22 little I could do to fight back. There was also part of me that deeply wanted to be with Mr. Marraccini  
23 and wanted him to be attracted to me and affectionate, so I tried to put up with it. When he continued  
24 to strangle me during sex, I told him he was hurting me and asked him why he did it. He said he wanted  
25 to be in complete control since it turned him on. He told me, "I own you." I told him I didn't like it and  
26 wasn't okay with it and asked him to stop. He apologized and promised not to strangle or slap me again.

27 28. Throughout our trip, Mr. Marraccini continued to put me down and did things that felt  
28 like they were intended to hurt and manipulate me. For example, I am an animal lover (especially

Page 7

1 Declaration of Laura Owens

2 horses, which I ride for a living), and Mr. Marraccini has known this since we started dating. When we  
3 first got together, he also claimed to love animals. During our trip, he ordered horse while we were out  
4 to dinner. I was appalled and had the waiter cancel the order. On another occasion, he got mad and  
5 made fun of me because I refused to eat whale or puffin. He said I was boring and that if I didn't eat  
6 whale or puffin, he didn't want to be with me since it "proved" I wasn't open to trying new things.

7 29. We came back from Iceland on or around January 9, 2017.

Page 80

1 like, four or five days later.

2 Q. Okay. So on New Year's night, what was the  
3 argument about?

4 A. Again, she wanted to post on social media and  
5 say that we were together, and I said "No."

6 Q. Did you know that Laura can't swim well?

7 A. Well, I witnessed it in Iceland. So yes.

8 Q. What happened when you witnessed it?

9 A. She -- it was, like, a standing size hot tub and  
10 there would be, like, a deep spot every -- by deep I  
11 mean, like, six feet, five feet. It was always to the  
12 point where she could stand, but if she ever tried to  
13 swim, she couldn't swim. So she would have to walk on  
14 the shallow areas so she could stand up.

15 Q. Okay. And what do you mean when you said you  
16 witnessed it? What does that mean? What did you  
17 witness?

18 A. Well, I witnessed her -- like, I swam across to  
19 a certain point, and she wouldn't swim across. And I was  
20 like, "Why aren't you swimming?" And that was the first  
21 time I ever witnessed her not being able to swim that  
22 well.

23 Q. Did you know before that that she couldn't swim  
24 that well?

25 A. No.

877.451.1580

MICHAEL MARRACCINI 06/13/2018

www.aikenwelch.com

19 22. About 6 hours into the flight, Mr. Marraccini went to the bathroom. I stayed in my seat  
20 and was crying. A passenger in the row in front of me slipped me a note (a true and correct photocopy  
21 of which is attached hereto as Exhibit 2, which said:

22 Dear Girlfriend,

23 I know the Lord had me over hear your conversation to let you know  
24 you are a very beautiful young woman that should have a man that makes  
25 you cry w/ wonderful laughter not bullying you. You are being verbally  
26 abused, and he will never love you like you deserve. I'm very concerned  
27 about you & I'm praying for you. Run from him & get help & protection.  
28 He doesn't care what you think or say or do. He is a very sick man &

6 23. I was shocked when I read the note. For the first time, I started to realize that Mr.  
7 Marraccini was emotionally abusive, which is not something I wanted to acknowledge. After reading  
8 it, I quickly put the note in my backpack to make sure he didn't see it. I was scared that he would lose  
9 his temper and make a scene if he found out about it. I also did not want him to know who gave it me  
10 in fear that he would lash out at her. For the rest of the flight, I tried to avoid talking to him since I  
11 didn't want him to get mad.

3 Q. What was your response when you found out that a  
4 fellow passenger gave Laura a note? I'm sorry. Did you  
5 find out that a fellow passenger gave Laura a note?

6 A. Yeah. She told me in Iceland.

7 Q. And what was your response when she told you  
8 that?

9 A. That that person had no idea what I had just  
10 gone through. And so -- that I'm sorry that somebody  
11 else had to hear our discussion, but at the time, like,  
12 that person had no idea what had just transpired over the  
13 last month.

14 Q. And by what you had just gone through, you mean?

15 A. Okay. What we both had just gone through, but  
16 especially me being lied to and my trust issues with her.  
17 The person had no background story of why I would be  
18 upset.

25 MS. POLLOCK: Okay. Did you discuss it with

6 BY MS. JUSSEN-COOKE:

7 Q. Did Laura ever admit to lying?

8 A. Yes. That night.

9 MS. COURSON: Did she tell you why she lied?

10 THE WITNESS: No. They told me that she -- her  
11 dad even said she creates stories that night.

24. In the middle of the first or second night of our Iceland trip, I was sound asleep when Mr. Marraccini woke me up by screaming at me. He was in a rage, the likes of which I had never before seen. Then he started to have sex with me. As he was having sex with me, he put his right hand around my neck and strangled me. I was having trouble breathing and started gasping for air. When I did this, he asked me if I liked it. It was hard to talk, but I managed to say "no." He strangled me until he climaxed. Then he got off of me. I felt shocked and deeply confused. My neck and throat were sore. I remember lying in bed and staring at the wall for a long time trying to wrap my head around what he had just done to me. Mr. Marraccini just went back to sleep.

26. Later that day, Mr. Marraccini wanted to have sex again. I wanted him to be affectionate and loving towards me and didn't think he would hurt me again since it had never happened before. While we were having sex, he told me to pick a number. I said "40." Then he used his open hand to slap my butt really hard. I said "ouch!" and told him that hurt. Then he slapped my butt again. I told him to stop, but he kept going. He slapped me 40 times in a row and counted down from 40 each time he did this. He told me that the harder he hit me, the more it turned him on. After we finished having sex, my butt was stinging and was bright red. I felt ashamed that I had allowed somebody to do that to me. The next day, we talked about him slapping me. I told him I didn't like it and that he hurt me.

27. Throughout the rest of the trip, Mr. Marraccini wanted to have sex daily. Every time we had sex, he strangled me and hit my butt with his bare hand repeatedly. This happened between 12 and 15 times. My butt was bruised and sore from him hitting me. I asked him to stop slapping me every time, but he just laughed. Given his temper, and since he is so much bigger than me, I felt like there was little I could do to fight back. There was also part of me that deeply wanted to be with Mr. Marraccini and wanted him to be attracted to me and affectionate, so I tried to put up with it. When he continued to strangle me during sex, I told him he was hurting me and asked him why he did it. He said he wanted to be in complete control since it turned him on. He told me, "I own you." I told him I didn't like it and wasn't okay with it and asked him to stop. He apologized and promised not to strangle or slap me again.

28. Throughout our trip, Mr. Marraccini continued to put me down and did things that felt like they were intended to hurt and manipulate me. For example, I am an animal lover (especially

horses, which I ride for a living), and Mr. Marraccini has known this since we started dating. When we first got together, he also claimed to love animals. During our trip, he ordered horse while we were out to dinner. I was appalled and had the waiter cancel the order. On another occasion, he got mad and made fun of me because I refused to eat whale or puffin. He said I was boring and that if I didn't eat whale or puffin, he didn't want to be with me since it "proved" I wasn't open to trying new things.

29. We came back from Iceland on or around January 9, 2017.

6. In June 2016, Mr. Marraccini and I were out for a walk. While we were walking along the water, he grabbed me by my jacket and pushed me towards the water, acting like he was going to throw me in. (I had previously told Mr. Marraccini that I don't know how to swim). Later during the walk, we were passing by a shrub when Mr. Marraccini used one of his hands to shove me into it. He did these things as "jokes," but they felt somewhat aggressive.

PHYSICAL ABUSE

24. In the middle of the first or second night of our Iceland trip, I was sound asleep when Mr. Marraccini woke me up by screaming at me. He was in a rage, the likes of which I had never before seen. I didn't think I had done anything wrong and couldn't understand why he was so mad, but he just kept screaming at me. He said he didn't want people to know he went to Iceland with me since he told everyone he was going alone. He told me he was embarrassed to be seen with me (throughout the trip he didn't want me in any of his social media posts or photos). Then he told me that if I went along with what he wanted and was "good" on the trip, that maybe he would post photos of us together and tell people he was with me. He insulted me and put me down, repeatedly calling me a "fucking psychopath" and "crazy." As he was screaming at me, I pulled out the note from the Wow Airlines passenger. I told him he treated me so badly that even a total stranger was concerned for my wellbeing, but he didn't seem to care and just brushed it off. I had never seen him so enraged and was afraid he would snap and hurt me. I felt like he wasn't even treating me like a human being. I cried myself to sleep that night.

25. When I woke up the next day, on or around January 1, 2017, Mr. Marraccini was in a totally different mood. He said he wanted to have a good trip and start things off differently. He started

I did. I had a great time with you and look forward to more greater and better trips and memories in the future

19 I, Stephanie N. [redacted] declare and state as follows:

13 7. At no time during their relationship did Ms. Owens ever tell me that Michael had been  
14 physically abusive to her.

15 8. When Ms. Owens and my brother were in Iceland, she sent me frequent text messages  
16 and photos telling me what a wonderful time they were having. There was never any mention of my  
17 brother being physically or emotionally abusive to her. In fact she sent me texts with pictures of them  
18 saying they had turned a corner and she was thrilled to be having a wonderful time with him in Iceland.

30. On January 10, 2017, Mr. Marraccini lost his job. Things got worse after this. He told me he was depressed and lost all motivation. He was constantly angry. I felt like he resented me because I have a successful career that I'm passionate about. It also seemed like he wanted to isolate me from my family. He said things like, "Your mom doesn't love you. You need to realize that."

I'm really sorry you had such a bad day :( I'm really proud/inspired by you deciding you didn't want to go in the direction they wanted you to go in and having the courage to make your own way and create fulfillment in your life. I know it will pay off. It's totally up to you if you want to go to KGO in the morning. Didn't mean to pressure you and I completely understand if you don't want to.

Btw I have no idea where you stand and no pressure on you one way or the other, but I feel like our romance and emotional connection has become great lately. We've been working as a team. Looking forward to building a life with you. And if you don't feel that the same way, you can totally be honest! I understand either way. My feelings are making me giddy though:)

Sounds good! What time are you back? Hope we can get dinner. I wanted to take you to sushi or maybe Chubby Noodle. Or get blue barn. Also I have some good ideas for the show.

31. I had hoped the abuse would stop once we came home, but it didn't. Mr. Marraccini became even *more* aggressive after he lost his job. Every time we had sex, he strangled me. This happened 4-5 times per week and at least 100 times total. He also frequently smacked my bare butt with his open hand, sometimes more than 50 times in a row. Sometimes he would tell me to take an Ambien (a sleeping pill, which I had been recently prescribed) before sex so that it would be easier for him to have his way with me. Sex with Mr. Marraccini felt like abuse, not loving and intimate. I often cried while he had sex with me. After he would finish having sex with me, I would tell him that he hurt me and ask him to stop strangling me. Sometimes he apologized and said that he "just lost control." He'd swear he was going to work on himself and promised to stop. Other times, he'd brush it off and act like I enjoyed it (even though I repeatedly told him I did not). On numerous occasions, he told me the control was a turn-on for him and that he needed it since sex with me was "too boring" or "too vanilla."

And you seemed worried about Sunday...I know you know this but just to confirm 100% clean. I obviously haven't been with anyone since we met and was tested again when I saw my regular gynecologist for my physical back in august. Which is why I thought uti seemed likely if you were peeing blood too. I've had them before and they're so painful.

Please see attached Declaration of Laura Owens in support of her request for a restraining order against Michael Marraccini.

Hearing date set for April 13, 2018, at 1:30 p.m., in Department 403.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Date: 3/28/2018

Laura Owens \_\_\_\_\_  
(TYPE OR PRINT NAME) (SIGNATURE OF DECLARANT)

- Attorney for     Plaintiff     Petitioner     Defendant  
 Respondent     Other (Specify):

32. In mid-February 2017, while we were having sex, Mr. Marraccini was on top of me. He put his left hand on my arm to hold me down. He squeezed so hard that I had a bruise for several days, which I took photos of a day or two later. (See Exhibit 3, photos of my bruised arm taken on February 18, 2017). Then he used his right hand to strangle me. I could barely breathe. When I started gasping for air, he shoved two fingers down my throat, which caused me to gag. When I did this, he said, "Good girl. Good girl." I felt panicked and didn't

Page 8

understand what he was doing. I was crying. I kept thinking that I didn't want to do anything to upset him as he did this, since I didn't want to push him over the edge. After he stopped having sex with me, I asked him why he put his fingers down my throat and told him I didn't like it. He brushed it off and ignored me.

33. On another occasion in February 2017, Mr. Marraccini strangled me during sex so hard that it left red marks on my neck. I sent pictures of the marks to my sister, but did not save these photos because I was afraid he would find them (I deleted many pictures and texts for this reason). There were two other occasions when I had marks on my neck where he strangled me (I cannot remember exactly when it was, but believe it was in May and July 2017).

34. Sometime in February 2017, I noticed tiny red spots around my eyes after Mr. Marraccini strangled me (which I now know is called petechial hemorrhage). This became common, and I took photos on a couple of occasions. (See Exhibit 4, photo of redness around right eye and cheek taken in March 2017 and Exhibit 5, photo of redness around my eyes and cheeks taken in May 2017). Sometimes my eyes were also bloodshot, and I had dark circles around my eye sockets. At one point, my mom confronted me about the red spots and asked how I got them. I told her Mr. Marraccini was strangling me during sex and that I believed the tiny spots were a result of the strangulation.

Q. Okay. Between December 2016 and when your relationship was over-over, I think you said that was November?

A. It was late 2017.

Q. Late 2017. In that year period, did you ever put your hands on Laura's neck?

A. No.

Q. Did you ever strangle her?

A. No.

Q. Did you ever slap her using the palm of your hand anywhere on her body?

A. No.

Q. During sex you never slapped her butt?

A. No. Not that I recall.

Q. During sex you never -- did you ever hold her down when the two of you had sex?

A. No, I did not.

Q. Between December 2016 and December 2017, did you ever hold a pillow over Laura's face while you were having sex with her?

A. No.

Q. Between December 2016 and December 2017, did you ever witness Laura lose consciousness during sex with her?

A. No.

Q. Did Laura ever talk to you about her concerns and fears about having sex with you?

A. No.

Q. Did Laura ever cry while the two of you were having sex?

A. No.

Q. Have you ever seen --

A. She said -- one time, when I said "I love you," she started crying afterwards.

Q. When was that?

A. I have no idea. Sometime in 2017.

Q. Would it have been, like, summer? Fall?

A. It -- probably, like, spring I would say.

Q. Spring.

A. Yeah.

Q. Have you ever seen Laura with red splotches or marks around her eyes?

A. Yeah.

Q. And did you talk about what that was?

A. Yeah. She always said she had a hard time sleeping.

Q. She said it was because she had a hard time sleeping?

A. Yeah.

Q. Okay. And how often would you see her with

those marks on her eyes?

A. Well, she would take Ambien every night, but I mean, I would see her -- it wasn't often, but I would see her with the splotches, I mean, like, maybe once a month, once every couple months.

Q. And when you talked to -- would you talk to her about it and ask?

A. No. I'm not going to dig in, like, why something's on her face, no.

Q. So you noticed it but you just wouldn't discuss it with her?

A. I've always -- like, if you're -- it's like calling out, like, somebody that has, like, a rash on their face. I mean, it's not going to make them feel better if you call them out and say "Why do you have a rash on your face?" It would be -- I would just -- we talked about it one time, and that was it. And we never brought it up again.

Q. And what was the discussion when you talked about it that one time?

A. She just said that she was having trouble sleeping, wasn't getting much sleep, and that was it. She was getting the marks on her eyes because of that.

Q. Okay. I have here a photo that shows redness around Laura Owen's right eye and cheek that was taken in

Q. So looking at Exhibit 2, did you ever see Laura with redness and marks -- and I'm talking about what's going -- in kind of the socket around her eye and the redness right above here and the redness right down below here. Did you ever see marks like that on her?

A. No.

MS. POLLOCK: Just for the record, that's May of 2017.

8 Q. I am handing you what's been marked as Exhibit 4  
9 and Exhibit 5. Did you ever see Laura with bruises like  
10 this?

11 A. I would see her with bruises all the time.

12 Q. Okay. And what -- did you talk to her about the  
13 bruises that you saw all the time?

14 A. Yeah. She said she rides horses.

15 Q. Okay. And that -- that was the extent of your

18 A. She rides horses every day, and so she would get

20 from riding horses.

21 Q. Okay.

22 MS. COURSON: Did she tell you how she would get

24 THE WITNESS: No. It was just -- I mean, she  
25 would care -- she would do everything for, like, the

3 the horses down from, like, the paddock down to where she  
4 was riding them. I mean, I don't know how it happens.

5 BY MS. JUSSEN-COOKE:

6 Q. Okay. Thank you. So would you say that you --  
7 how frequently would you say that you saw Laura with  
8 injuries on her body?

9 A. In 2017 she was getting injured a lot. She fell  
10 off her horse multiple times. One time I was witness to  
11 it. One time my family was witness to it, but she had a  
12 lot of falls off the horses during all of 2017,  
13 especially with her seizures. Her seizure -- I mean, one  
14 of the points in time, like, in her texts even a couple  
15 days later, she had a huge bruise on the back of her head  
16 on -- I don't even remember where it was -- from falling  
17 and hitting her head on the counter after having a  
18 seizure. I mean, I wasn't going to constantly be  
19 bringing up how she was getting the bruises.

20 Q. Okay. Between September of 2016 and March of  
21 2017, did you ever -- did you have a key to Laura's  
22 apartment?

23 A. No. No. I never had a -- I mean, she gave me a  
24 key to go over there, but I gave it back when she came  
25 home.

Yes thank goodness. It was a really long drive. Forgot to take my seizure medication last night

35. On or around Valentine's Day weekend in February 2017, we took a trip to Napa Valley. I had recently gotten a dog from a shelter who had been attacked and had a shaved head and stitches. The whole time, Mr. Marraccini complained about how ugly the dog was. He said he wanted to "punt" the dog. He told me I was cruel for keeping the dog alive because it was old and blind and ugly and that I should have let it die in the shelter. At one point, the dog had an accident in the hotel room. Mr. Marraccini got mad at me and screamed at me for having a dog that wasn't potty trained. During this trip, Mr. Marraccini strangled me during sex several times.

Amazing. He's sleeping. My friend got me bumped up to first

46. One Wednesday night in October 2017, I was with my family at Maybeck's restaurant-- less than two blocks away from my apartment. My family and I regularly have dinner at Maybeck's on Wednesdays, which Mr. Marraccini knew (he had come to Wednesday dinner at Maybeck's a couple of times and had criticized the restaurant and said it was terrible). Mr. Marraccini and his sister walked into Maybeck's and sat down three tables over. He stared at us. This made me very uncomfortable.

47. Sometime in November 2017, Mr. Marraccini asked if he could come over. I told him no. It was late, and I was in bed already. Five to ten minutes later, he showed up at my house and knocked at my front door. I stayed in bed and ignored him. He banged on the door and yelled my name and said he knew I was home because he could hear the TV. I was worried my neighbors would get upset with the loud banging and yelling, so I opened the door. I asked him why he came since I told him not to. He said he was "in the neighborhood." Then he started trying to have sex with me. I was too afraid of him to stop him. While we were having sex, he asked me, "How does it make you feel to know I'm sleeping with a tall blond girl. She's the complete opposite of you, physically." I told him I didn't care. Then he said, "Doesn't that make you jealous? I like to see you jealous. It's a turn-on." Then he held me down using his left hand and strangled me. This was the last time we had sex.

Saw you and your fam at that mama  
sushi spot last night. Did you like it?

Yeah! We're were you?

I was at the bar in the corner. I saw  
you all when you were walking out  
and we were just being served.  
What did you think of it?

I loved it.

What about you?

It's not as good as sushi ran, but i  
liked it better than anything else in

Since you all didn't look around, we

58. On January 6, 2018, I decided to contact Callie Supinskas via Facebook Messenger (the woman Mr. Marraccini had introduced me to). (See Exhibit 7, Facebook Messenger message sent January 6, 2018). I sent her a message telling her that "I would have given anything for someone to reach out to me before I got deeply involved with him." (Id.) I told her about the red flags that I should have paid closer attention to, such as Mr. Marraccini's lies about his career and prior romantic endeavors. (Id.) I wrote that "he became physically abusive about six months into our relationship and I simply don't want someone else to be hurt by him." (Id.) I told her about and attached a picture of the note from the Wow Airlines passenger. (Id.) I also wrote, "Regardless of if you do anything with the information I shared with you, I would beg you not to share it with Mike or bring up my name as he truly scares me at this point." (Id.)

### What To Do If Falsely Accused - Criminal Law Lawyer Source

Most of this is stuff you already know but this site has good, practical information. Also, screenshot any photos she might have with you that would show evidence against her claim. Try and capture all that information before she takes it down.

I quickly looked at her FB page and she still has this up of you two. It goes against her timeline of "abuse"...

Ever since I saw you with Mike, I have really struggled a lot with whether or not to reach out to you. he shared with me about his exes.

He came on like prince charming and I was crazy about him, but over time I started to realize he wasn't the guy I thought he was. He told my family elaborate stories about his life, like how he had dated one of the female stars from 'Modern Family', but "didn't remember which one", that he had dated Aaron Rodgers' sister (who I Googled and does not exist), and how he had been the VP at "multiple Fortune 500 companies" (I'm attaching the radio tryout tape of him saying that - go to 2:30). He also told me when we started to date that he loved dogs more than anything, but when I rescued a physically impaired senior dog from Muttville, he told me he thought my dog was 'gross and ugly', refused to touch him, and repeatedly said he wanted to 'punt' him every time he came to his feet. I definitely shouldn't have stayed after all of

shouldn't have stayed after all of this, but I couldn't come to terms with the fact that this was truly him.

However, his words aren't what compelled me to write to you. It was this: he became physically abusive about six months into our relationship and I simply don't want someone else to be hurt by him. When he and I were on a plane to Iceland and he got up to use the restroom, the lady in the seat in front of me slipped me a note on a napkin about the way he was treating me and it truly stunned me. I'm attaching it. At first, I thought it was bizarre of her to give it, but it turned out to be life changing for me. It opened up my eyes to his bullying, manipulation, and outright cruelty, and her warning to me is exactly what I wanted to pass on to you. You certainly don't have to do anything with this information, but I wish I had taken

to do anything with this information, but I wish I had taken her words to heart earlier because things definitely didn't improve as time went on. I reached out to her a couple of months ago after we broke up and she said that the way he acted towards me on the plane has haunted her since she saw it. And it was way worse behind the scenes.

Regardless of if you do anything with the information I shared with you, I would beg you to not share it with Mike or bring up my name as he truly scares me at this point. I pray that he has not been abusive with you and never is. If someone sent this to me when we were first starting to date, I would definitely think they were nuts — but a few months into it, I would have wished I'd taken their advice to heart. I know you don't know me at all, but I hope that the attachments can be proof to you that I'm not coming

18 January 6, 2018). I sent her a message telling her that "I would have given anything for someone to  
19 reach out to me before I got deeply involved with him." (Id.) I told her about the red flags that I should  
20 have paid closer attention to, such as Mr. Marraccini's lies about his career and prior romantic  
21 endeavors. (Id.) I wrote that "he became physically abusive about six months into our relationship and  
22 I simply don't want someone else to be hurt by him." (Id.) I told her about and attached a picture of the  
23 note from the Wow Airlines passenger. (Id.) I also wrote, "Regardless of if you do anything with the

25 scares me at this point." (Id.)

18 61. The next day, I was afraid to leave my house. I didn't know what to do, so I contacted  
19 the Sherriff and asked for help figuring out how to get a restraining order. I also spoke with someone  
20 from the District Attorney's Office that day. They asked if I wanted to file criminal charges, but I said  
21 no.

22 62. On January 9, 2018, I filed a Request for a Domestic Violence Restraining Order. On  
23 January 10, the Court granted me a Temporary Restraining Order.

Laura on Dasasmi's "I'm Not In An Abusive Relationship" episode:  
<https://rb.gy/w0vqou>

"So one night, after this had happened, [referring to the interaction the evening of Sunday, January 7, 2018], I thought, 'I've had enough. Here's what I'm gonna do. I'm gonna end this right now. I'm gonna go to the police station and they're gonna just say to me, "Oh my God, thank God, thank God you came for help." you know, "We've got this." So I went to the police station – I'm, just, bawling. I mean, I look like a shadow of myself. And when I went up to the police originally, it was like, okay, you know, you're gonna have to wait for a bit. I'm waiting, I'm waiting...an hour and a half goes by, I go up to the front and I'm like, 'Hey, is somebody coming out soon?' Finally, a *JUNIOR* officer comes out and he's like, "Hey, you know, I just **read your story** and you know, it just kinda sounds like he's an asshole. So, do you want me to drive you home?" And I said, 'But wait, I really, I need, whatever this temporary order is that you can issue, can I please have that? And he's like, "Well, you know, it's the weekend, and that's pretty difficult to get, so, um, you know, maybe just wait until Monday and, uh, try to go to the courthouse and get an order or something." So I left feeling awful. I was shocked because I thought once you went to the police, that was really it, that they really would take it from there. And that was not my experience. "

7 WHY I WANT A RESTRAINING ORDER

8 67. I genuinely think that Mr. Marraccini wants to kill me. Given that he has strangled and  
9 choked me, I know that he is capable of inflicting lethal violence. There is a deep hatred that he exudes  
10 towards me, and I am afraid for my life. He has said to me in the past that if I ended up dead, he knew  
11 he would be blamed. His hair-trigger temper horrifies me. I am afraid that if I encounter him alone, he  
12 will lose control and harm me. I do not want to live in constant fear of him and hope that a restraining  
13 order will send a message to Mr. Marraccini to stay away from me. I want to move on with my life.

14 [ORIGINAL SIGNATURE ON JUDICIAL COUNCIL FORM]

11 51. In December 2017, I posted on Instagram that I was going to dinner at Mamanoko. An  
12 hour or so later, Mr. Marraccini showed up at there while I was having dinner with my mother. He  
13 walked inside and came directly to our table. He was with a tall, blond woman, whom he introduced  
14 as "Callie." He lingered at the table for a minute or so before sitting down at the table next to us,  
15 although there were plenty of open tables elsewhere. This made my mother and me so uncomfortable  
16 that we left.  
17 52. After meeting Callie, I started thinking about how terrible I would feel if Mr. Marraccini  
18 hurt her and I did nothing to warn her of his capacity for violence. I wished I had known how abusive  
19 Mr. Marraccini was before I fell for him, and I considered telling her about my experiences.

14 Q. So you said you ran -- just to clarify, did you  
15 say that you ran into Laura twice at Mamanoko?  
16 A. Yeah. So the first time I saw -- the first time  
17 we ran into her, and we were seated right next to her  
18 mother and Laura. And I thought it was very -- it was a  
19 very awkward dialogue. I introduced Laura to Callie  
20 because we were literally sitting this distance from one  
21 another. And then we -- like, they sat us at the sushi  
22 bar, like, literally a couple feet away.  
23 And then the second time I went back because she  
24 could tell I was just, like, embarrassed, essentially,  
25 that my -- a girl that I was seeing for awhile was -- or,

MICHAEL MARRACCINI 06/13/2018

1 sorry. Let me clarify this.  
2 I didn't enjoy the first meal that much because  
3 the two of them interacting just made it very awkward; so  
4 Callie wanted to make it up to me and go back there again  
5 because she would go there all the time with her friends.  
6 And so we went back again, and we ran into them. I saw  
7 Laura and her mom and her dad, and I asked if we could  
8 leave. I didn't want to be back in the same restaurant  
9 again.  
10 Q. So let's talk about the first time.  
11 A. Okay.  
12 Q. Okay. When was that?  
13 A. Late 2017. I don't remember. I would say  
14 October, November.  
15 MS. POLLOCK: Which restaurant are we talking  
16 about?  
17 THE WITNESS: Mamanoko.  
18 MS. JUSSEN-COOKE: We're talking about Mamanoko.  
19 BY MS. JUSSEN-COOKE:  
20 Q. And you said that you were there with Callie  
21 twice and you ran into Laura there twice.  
22 A. Both times.  
23 Q. And the first time -- I'm trying to understand  
24 when that first time was.  
25 A. Yeah. It was late -- so the way it happened,

877.451.1580 www.aikenwelch.com  
MICHAEL MARRACCINI 06/13/2018

1 too, is we ran into her, and it was a very awkward  
2 interaction.  
3 Q. Who was there first? Like, you ran into her.  
4 Did you walk in and see them there? Or did they walk in  
5 and see you?  
6 A. They were eating dessert when we walked in.  
7 Q. Okay. So you walked in and they were eating  
8 dessert and then what happened?  
9 A. The hostess sat us right next to them.  
10 Q. Okay. Was there other tables available in the  
11 restaurant?  
12 A. I mean, the hostess sat us at that location.  
13 Q. That's not what I asked. Were there other  
14 tables available in the restaurant?  
15 A. That was -- the sushi bar was the only spot that  
16 was available and that's where we sat. So I don't recall  
17 if there was a miscellaneous table in there.  
18 Q. But were you uncomfortable sitting that close to  
19 them?  
20 A. Yeah. Absolutely.  
21 Q. But you don't recall whether there was anywhere  
22 else in the restaurant to sit?  
23 A. I would assume they sat us there -- I mean, I  
24 don't remember. I'm going to say that. But I would  
25 think if there was another --

1 MS. POLLOCK: Speculation.  
2 THE WITNESS: Okay. No. I don't recall.  
3 BY MS. JUSSEN-COOKE:  
4 Q. Okay. So you -- did you -- okay. So you walked  
5 in, you saw them, and you were sat. Did you have any  
6 interaction directly with them?  
7 A. Yeah. I introduced Laura and her mother to my  
8 -- to Callie at the time.  
9 Q. Okay. And do you know if this interaction at  
10 Mamanoko, the first time you ran into Laura with Callie  
11 there, was this before or after the conversation you had  
12 with Laura when you said things were done?  
13 A. I think I had the conversation with her really  
14 quickly after.  
15 Q. So --  
16 A. Not like -- I should give you a better timeline.  
17 I would say within a week, I gave her the phone call  
18 saying that we were done.  
19 Q. Okay. So you hadn't actually officially broken  
20 up with Laura?  
21 A. I said we were on and off. So at the time,  
22 like, we weren't really seeing each other, weren't  
23 talking to each other that much. Maybe once a week,  
24 couple times a week. We were never seeing each other  
25 often. We were both traveling.

1 Q. Were you still having sex?  
2 A. No.  
3 Q. Okay. So I just want to understand, like, the  
4 timeline here. I'm having a -- and I know it's a long  
5 time ago and it's hard to remember all of these. So if  
6 you can't, then I get that.  
7 A. Of course.  
8 Q. But had you had sex with Laura -- did you have  
9 sex with Laura after the night, the first night, you ran  
10 into her with [REDACTED]?  
11 A. No.  
12 Q. Okay. Were you having sex with [REDACTED] at that  
13 point?  
14 A. No.  
15 Q. Okay. So you introduced the two of them and  
16 then you sat down. You said you were uncomfortable, but  
17 did you continue with your meal?  
18 A. They were eating dessert. They were finishing  
19 dessert; so they got up within minutes after we got sat  
20 down. Like, they were -- I couldn't even tell you. I  
21 think they were -- yeah. They were eating dessert, yeah.  
22 Q. Okay. And prior to this time, you had never run  
23 into or seen Laura and her family at Mamanoko prior to  
24 this first time with [REDACTED]?  
25 A. No.

877.451.1580 MICHAEL MARRACCINI 06/13/2018 www.aikenwelch.com

1 Q. Before you went to Mamanoko with [REDACTED] that  
2 night, had you seen Laura's Instagram post saying that  
3 she was going to go there?  
4 A. No. I have her blocked.  
5 Q. But this was before your conversation you said.  
6 A. I didn't --  
7 Q. This was before your breakup conversation?  
8 A. No. I did not see a post that she was going  
9 there.  
10 Q. So after that night when you have this  
11 uncomfortable interaction --  
12 A. Yeah.  
13 Q. -- what happened between you and Laura?  
14 A. We had the conversation on the phone within the  
15 next couple weeks that I just didn't want to see her  
16 anymore.  
17 Q. So you only spoke with her -- was that your only  
18 interaction with Laura after that night?  
19 A. I mean, we might have text each other a little  
20 bit, but I don't remember what the texts were about.  
21 There might have been some communication.  
22 Q. So tell me about the next time that you ran into  
23 Callie at Mamanoko.  
24 A. Next time I ran into [REDACTED]  
25 Q. I mean, sorry, that you ran into Laura.

1 A. I walked in. I saw that they were sitting at  
2 the exact same table. They did not see me. I asked if  
3 we could go to a different restaurant.  
4 Q. And did you go to a different restaurant?  
5 A. Yes.  
6 Q. Where was the table that they were sitting? Was  
7 it facing the street?  
8 A. It's towards the back -- both times they were  
9 seated in, like, a back booth in the very back of the  
10 restaurant. It's a booth; so if, like, you walk in, the  
11 booth's like this in the very back. So I don't know how  
12 to describe that.  
13 Q. But you can see it as soon as you walk in?  
14 A. No, you can't. When we started getting walked  
15 to our table, I saw that they were sitting back there and  
16 I didn't want to go any further.  
17 Q. So you and [REDACTED] showed up there, and the  
18 hostess started taking the two of you --  
19 A. The two of us.  
20 Q. -- to a table in the back and that's when you  
21 saw her?  
22 A. Yes.  
23 Q. And then what did you do?  
24 A. I asked [REDACTED] could go to another  
25 restaurant, and she said "Yes."

877.451.1580 MICHAEL MARRACCINI 06/13/2018 www.aikenwelch.com

1 Q. Okay. Since October 2017 have you run into  
2 Laura or her parents at Amici's restaurant in the Marina?  
3 A. I ran into her parents crossing the street of  
4 Lombard in front of Amici's.  
5 Q. And what happened?  
6 A. I gave her dad a hug.  
7 Q. Anything else?  
8 A. That was it.  
9 Q. Did the two of you talk at all? You just gave  
10 him a hug and left?  
11 A. Well, we were crossing the street, and so I --  
12 it was at night. So I mean, we're not going to sit and  
13 chat in the middle of the intersection. So I just gave  
14 him a hug. I said "I hope all is well."  
15 Q. Okay.  
16 A. And I had a witness there for me was -- I think  
17 Colin Scanlon and my sister, as well, Stephanie. They  
18 were both with me when I was crossing the street.  
19 Q. Okay. And that's the only time you ran into  
20 Laura or her parents at Amici's?  
21 A. At Amici's, yes. Well, I was never in Amici's,  
22 but that was next to Amici's.  
23 Q. Next to it, okay.  
24 A. Yeah.  
25 Q. Did you walk back and forth in front of the

1 restaurant several times while they were having their  
2 meal there?  
3 A. No.  
4 Q. When did you find out that Laura had contacted  
5 Callie?  
6 A. When [REDACTED] showed me in early 2018. So early  
7 January 2018. It was over the course of the first couple  
8 weeks of January.  
9 Q. Do you know when she contacted [REDACTED]?  
10 A. Yeah. It was after she saw us in public. Laura  
11 saw Callie and I walking.  
12 Q. Where?  
13 A. We were going to the grocery store on Chestnut.  
14 The grocery store Marina Meats, maybe it was. Marina  
15 Market. I forget the name of it. As we were walking  
16 back, it was raining, and I saw Laura. Well, I didn't.  
17 Actually, Callie noticed it, but she saw Laura sitting in  
18 the, like, a high top table in a restaurant of Mamanoko.  
19 I was walking --  
20 Q. So you didn't see her there at Mamanoko? You  
21 said Callie saw her?  
22 A. Callie saw her and pointed it out to me as we  
23 were walking.  
24 Q. So is that actually a third time that you saw --  
25 A. Well, you asked if I went in the first two

1 times.

2 Q. No. I asked if you ever saw her there.

3 A. Okay. So I went into the restaurant twice for  
4 food and once when I was walking home on Chestnut Street.  
5 So that would be three times then.

6 Q. Okay. And you said she contacted Callie after  
7 that?

8 A. Correct.

9 Q. And you estimate that was around...

10 A. It was in the new year. So it was right  
11 after -- I mean, it was after January 2nd before -- when  
12 all this was filed on January 8 or 9. So within that  
13 week.

14 Q. Okay. And what did Callie tell you?

15 A. That she was disturbed by what she had just  
16 received like I think anybody would.

17 Q. What else did she say?

18 A. That she wanted to talk to me about it.

19 Q. Did you talk about it?

20 A. Yeah. And so we formulated a message to send  
21 back to Laura essentially trying to kill the  
22 conversation, not go on any longer. So we wrote, like,  
23 just a very -- "Thank you for reaching out. I appreciate  
24 it." Something along those lines.

25 Q. So when you say we wrote it, you helped her

877.451.1580

MICHAEL MARRACCINI 06/13/2018

1 craft that response?

2 A. Well, we wanted the conversation to not be  
3 carried out because Laura wanted to meet for coffee, and  
4 Callie did not want to meet for coffee. So Callie was  
5 the one that wrote it, but she asked what my input was.  
6 And I said "I would just say thank you for reaching out."

7 Q. Okay. So she thought about, like -- she asked  
8 your input before she sent anything back to Laura?

9 A. Yeah.

10 Q. Okay. Did the two of you talk about anything  
11 else about that message and her response to it?

12 A. Did the two of us talk about the message?

13 Q. Did you and Callie discuss anything else?

14 A. We just thought it was disturbing that she came  
15 up with all that.

16 Q. How did it make you feel?

17 A. It made me feel terrible because I thought her  
18 and I were leaving on a good note. I mean, the last  
19 conversation she said she wanted the very best for me,  
20 and I told her the same exact thing. So to receive that,  
21 it was, I felt, like out of spite, especially because she  
22 saw that we just -- well, I'm speculating here. But she  
23 saw us walking in the Marina and she saw me post a photo  
24 with another girl.

25 Q. Okay. But you don't know that that's --

877.451.1580

MICHAEL MARRACCINI 06/13/2018

Page 107

1 A. I mean, it happened the day after I posted a  
2 photo.

3 Q. It happened the day --

4 A. A day or two after I posted the photo is when  
5 this all came about.

6 Q. So you hadn't blocked her on social media yet  
7 then?

8 A. Oh. I have her blocked on everything, yeah. I

9 --

10 Q. At the point when you posted the photo --

11 A. Yeah.

12 Q. -- which you say was the day before she sent the  
13 message --

14 A. Yeah.

15 Q. -- had you already blocked Laura on social  
16 media?

17 A. Yeah. She has about seven -- like, over five  
18 accounts, though.

19 Q. Okay. What does that mean?

20 A. She has multiple accounts. So she has an  
21 account -- two accounts for her dog. She has two  
22 accounts for her horses. She might have an account for  
23 each horse. She has one for Quartet Farms. She has one  
24 for herself. She has one for the radio.

25 Q. So did you block all of them?

26 59. On January 7, 2018, I had dinner with my parents at Mamanoko. As we finished they  
27 asked, "Don't you want us to take you home in case you see Mike?" I said no since they were parked  
28 in a different direction and it would take me less time to just walk home. As I was walking home, I saw

2 Mr. Marraccini and his sister. They were less than 1½ blocks away from my house. They were standing  
3 by the sidewalk staring at me. I was looking down at my phone and tried to pretend like I didn't see  
4 them. Mr. Marraccini yelled at me, "Are you kidding me?!" Then his sister called me a psychopath.  
5 They screamed at me for sending the Facebook Message to Ms. Supsinskas. When I pulled my phone  
6 out to call my parents, his sister said, "Don't you DARE get your phone." They were standing in front  
7 of me, which prevented me from walking past them. A couple was coming out of a nearby restaurant.  
8 As they were walking past, I told Mr. Marraccini to stay away from me and that I was going to seek a  
9 restraining order. I was terrified and hysterical. I called my parents to tell them what had happened.  
10 Then I asked my friend Joan to come over since I was afraid Mr. Marraccini and his sister would come  
11 to my house.

12 60. In the middle of the night, around 1:00 a.m., I got a call from the San Francisco Police  
13 Department. They told me that Mr. Marraccini had emailed them a copy of the message I had sent to  
14 Ms. Supsinskas and asked if I knew why. I said no and told them that he and his sister had accosted me  
15 on the street. They questioned me about the domestic violence I alleged in the message and asked if they  
16 could come and take a report. When the police arrived, I explained the circumstances surrounding the  
17 message I sent to Ms. Supsinskas and the history of physical abuse and the stalking.

18 61. The next day, I was afraid to leave my house. I didn't know what to do, so I contacted  
19 the Sherriff and asked for help figuring out how to get a restraining order. I also spoke with someone  
20 from the District Attorney's Office that day. They asked if I wanted to file criminal charges, but I said  
21 no.

22 62. On January 9, 2018, I filed a Request for a Domestic Violence Restraining Order. On  
23 January 10, the Court granted me a Temporary Restraining Order.

Laura on Dasasmi's "I'm Not In An Abusive Relationship" episode:

"So one night, after this had happened, [referring to the interaction the evening of Sunday, January 7, 2018], I thought, 'I've had enough. Here's what I'm gonna do. I'm gonna end this right now. I'm gonna go to the police station and they're gonna just say to me, "Oh my God, thank God, thank God you came for help." you know, "We've got this." So I went to the police station – I'm, just, bawling. I mean, I look like a shadow of myself. And when I went up to the police originally, it was like, okay, you know, you're gonna have to wait for a bit. I'm waiting, I'm waiting...an hour and a half goes by, I go up to the front and I'm like, 'Hey, is somebody coming out soon?' Finally, a *JUNIOR* officer comes out and he's like, "Hey, you know, I just **read your story** and you know, it just kinda sounds like he's an asshole. So, do you want me to drive you home?" And I said, 'But wait, I really, I need, whatever this temporary order is that you can issue, can I please have that? And he's like, "Well, you know, it's the weekend, and that's pretty difficult to get, so, um, you know, maybe just wait until Monday and, uh, try to go to the courthouse and get an order or something." So I left feeling awful. I was shocked because I thought once you went to the police, that was really it, that they really would take it from there. And that was not my experience. "

26 59. On January 7, 2018, I had dinner with my parents at Mamanoko. As we finished they  
27 asked, "Don't you want us to take you home in case you see Mike?" I said no since they were parked  
28 in a different direction and it would take me less time to just walk home. As I was walking home, I saw

2 Mr. Marraccini and his sister. They were less than 1½ blocks away from my house. They were standing  
3 by the sidewalk staring at me. I was looking down at my phone and tried to pretend like I didn't see  
4 them. Mr. Marraccini yelled at me, "Are you kidding me?!" Then his sister called me a psychopath.  
5 They screamed at me for sending the Facebook Message to Ms. Supsinkas. When I pulled my phone  
6 out to call my parents, his sister said, "Don't you DARE get your phone." They were standing in front  
7 of me, which prevented me from walking past them. A couple was coming out of a nearby restaurant.  
8 As they were walking past, I told Mr. Marraccini to stay away from me and that I was going to seek a  
9 restraining order. I was terrified and hysterical. I called my parents to tell them what had happened.  
10 Then I asked my friend Joan to come over since I was afraid Mr. Marraccini and his sister would come  
11 to my house.

12 60. In the middle of the night, around 1:00 a.m., I got a call from the San Francisco Police  
13 Department. They told me that Mr. Marraccini had emailed them a copy of the message I had sent to  
14 Ms. Supsinkas and asked if I knew why. I said no and told them that he and his sister had accosted me  
15 on the street. They questioned me about the domestic violence I alleged in the message and asked if they  
16 could come and take a report. When the police arrived, I explained the circumstances surrounding the  
17 message I sent to Ms. Supsinkas and the history of physical abuse and the stalking.

18 61. The next day, I was afraid to leave my house. I didn't know what to do, so I contacted  
19 the Sheriff and asked for help figuring out how to get a restraining order. I also spoke with someone  
20 from the District Attorney's Office that day. They asked if I wanted to file criminal charges, but I said  
21 no.

22 62. On January 9, 2018, I filed a Request for a Domestic Violence Restraining Order. On  
23 January 10, the Court granted me a Temporary Restraining Order.

25  **Reasons I Do Not Agree to the Orders Requested**

Explain your answers to each of the orders requested (*give specific facts and reasons*):

For approximately 8-9 months, from April 2016 until March 2017, I was involved in a dating relationship with Petitioner. During that time Petitioner wanted a far more committed relationship than I was interested in. The allegations she has made are total fabrication from a young woman who has threatened suicide multiple times, been hospitalized for depression and been on anxiety/depression medications. For the sake of her mental and emotional stability I tried to work things out with her and have a friendship but she has been continued to be focused on having a permanent relationship with me which I did not want. As shown in Attachment 1, text messages between Jan Black, petitioner's mother and myself, Petitioner has suffered from emotional issues that necessitated her placement in an inpatient facility followed by outpatient treatment and multiple medications. Attachment 2, text messages between Ronn Owens, petitioner's father, and myself, he also acknowledges Petitioner's mental and emotional instability. Mr. Owens, in a text message dated December 2016, told me "Please call Laura and promise her anything. She wants to keep her alive and I promise to help you get out of it as soon as she's safe. Please NOW." Additionally, the texts from Petitioner to my sister (Attachment 3), in December 2016 show Petitioner as a person consumed with her love for me and her desire to make our relationship work. I ended the relationship and wanted to move on with my life.

\* Regarding her specific claims, Question 2 (pg.5 of 6), I was leaving a restaurant with my sister which was 300 ft. from my sister's apartment. When we were exiting Petitioner was outside and immediately confronted us and called me a liar, rapist and thief. I asked her to leave me alone and to stay out of my life but she kept arguing. Following this encounter she wrote my present girlfriend and made accusations about me.

Regarding #4: Since before we dated, Petitioner has taken multiple medications to help with depression and anxiety. The texts in all of the attachments confirm this. Towards the end of our relationship, Petitioner told me she would take horse tranquilizers to calm down.

19 I, Stephanie [REDACTED], declare and state as follows:

19 9. On January 8, 2018, I had dinner with my brother at Ace Wasabi located at Steiner and  
20 Chestnut. We had just left the restaurant and all of a sudden we saw Ms. Owens walk towards us. She  
21 approached us facing North so blocking us from continuing South on Steiner. Laura was very upset  
22 about Michael dating another girl. She continued to yell and scream obscenities at him. At no time did  
23 either my brother or myself yell at her. Instead we told her we wanted her to leave us alone and that she  
24 needed help. After that encounter, my brother filed a report with the San Francisco Police Department.

14 Q. Okay. Walk me through what happened on  
15 January 7th when you encountered Laura on the street?

16 A. My sister and I were just finishing dinner at  
17 Ace Wasabi's. We literally walked out of the restaurant,  
18 and Laura looked like she was coming from Lombard. I  
19 don't really know. We had to walk back home to my  
20 sister's house. So, I mean, within ten feet of exiting  
21 Ace Wasabi's that night, Laura was standing right there  
22 and we confronted -- my sister -- I didn't want to  
23 confront Laura. I asked the entire time to "Please stop  
24 the conversation." But my sister was asking her why she  
25 would send those types of messages to Callie.

1 Q. What else did your sister say? Who -- walk me  
2 through that conversation.  
3 A. Yeah.  
4 MS. POLLOCK: Which one? I'm confused.  
5 BY MS. JUSSEN-COOKE:  
6 Q. Walk me through the conversation that transpired  
7 between you, your sister, and Laura on the street after  
8 you left Wasabi -- Ace Wasabi.  
9 A. Ace Wasabi, yeah. Walk you through it?  
10 Q. Yeah.  
11 A. So we walk out, and it is a quick interaction.  
12 Walked out. She was standing there, and I asked my  
13 sister to let's cross the street. And Laura, like, she  
14 came out, like, guns blazing. Like, essentially, my  
15 sister -- I don't know who started the conversation, but  
16 I know it got to the point of my sister asked why she  
17 would send that. I just said "Who cares why she would  
18 send that. Let's just keep moving."  
19 The whole time I asked to stop the conversation,  
20 and Laura said then -- turned to me and said, "I thought  
21 you moved to Sacramento." And I did tell her that I was  
22 moving to Sacramento because I didn't want her to keep  
23 trying in our relationship. I wanted it to just be over,  
24 and so I told her that I was leaving.  
25 Q. Had she kept trying in your relationship?

1 A. Well, we'd been talking about me moving for a  
2 long period of time. And so on the final plug of when I  
3 did have a conversation with her on the phone call the  
4 night where I said no more, I said that I was going to be  
5 moving to Sacramento within the next few weeks or month.  
6 Q. Okay. So then what happened in that  
7 conversation?  
8 A. The conversation with my sister; correct?  
9 Q. Yeah. With your sister and Laura on  
10 January 7th.  
11 A. So yeah. It was really quick. Laura called me  
12 a liar. I said, "Just stay out of my life." I don't  
13 know why we -- why we can't just go apart from one  
14 another, and she said, like, essentially I was just a  
15 liar. I told her to stay out of my life. It was that  
16 simple.  
17 Q. And did you say anything else?  
18 A. I was the most silent one of the whole  
19 conversation. So...  
20 Q. Did your sister say anything else?  
21 A. She just said "Why would you write those things  
22 to Callie? That's just cruel and you know that none of  
23 that ever happened."  
24 Q. Had -- was Laura upset?  
25 A. I think everybody was upset.

1 Q. Was Laura crying?  
2 A. No.  
3 Q. Where did you go after that?  
4 A. To my sister's house.  
5 Q. Actually, let me back up. Where -- in reference  
6 to Laura's house, how far away was the interaction on the  
7 street on January 7th from Laura's house?  
8 A. Two blocks.  
9 Q. Okay. Where did you go after that interaction?  
10 A. A few blocks further to my sister's house.  
11 Q. Okay. And did you and your sister discuss what  
12 had happened?  
13 A. Yes.  
14 Q. Okay. And what did you say?  
15 A. I said that I should file for a restraining  
16 order; so I called the cops that night.  
17 Q. Okay.  
18 A. The cops came and took a report and I said that  
19 I was having a little concern for my safety.  
20 Q. Why were you concerned for your safety?  
21 A. Well, she had just written my current girlfriend  
22 three e-mails, or three Facebook messages. I had run  
23 into her twice in a matter of days where I would never  
24 run into her. And so I was concerned I was going to be,  
25 one, being followed, two, that my current -- or my

1 girlfriend at the time or girl that I was dating was also  
2 going to be followed. So I wanted to take down a report  
3 making sure that what was happening was unusual.  
4 Q. You running into her within a few blocks of her  
5 house?  
6 A. I think --  
7 Q. Is that what was unusual? What part was  
8 unusual?  
9 A. Her getting mad and upset and writing my current  
10 girlfriend multiple messages that were lies and running  
11 into her, essentially. I think that is why I made the  
12 police report.  
13 Q. That's why you filed the police report, okay.  
14 What did you tell the police?  
15 A. That I had just run into her.  
16 Q. Did you provide the police with a copy of the  
17 Facebook message?  
18 A. Yes.  
19 Q. When were you served with the temporary  
20 restraining order?  
21 A. Within a week after the whole incident.  
22 Q. Okay. And are you aware that it requires you to  
23 stay away from Laura's house?  
24 A. Yeah. A hundred yards.  
25 Q. A hundred yards. Have you lived in the Marina
