	<p>The Defendant and I went on three dates. We had a sexual relationship one evening. I Politely ended the relationship 9 days after our first encounter. She did not take the rejection well at which point I understood, listened but politely let her know that there will not have a future relationship together and to stop contacting me. She continued to harass me for 48 hours. I asked her to stop reaching out. 24 hours went by with no contact. 11 days after we were sexually intimate, she sent me a photo of a positive pregnancy test though we used 2 forms of protection during our one encounter. She continued to harass me via text messages through 14 different email accounts and I-Messages all of which I have since blocked. She threatened to reach out to my family, located them on public records, reached out to my mother, threatened to "expose" me on her Apple iTunes self help podcast. She sent me photoshopped images of an ultrasound that is from an article on google dated Jan 12th 2015. I had an OBGYN confirm this ultrasound she is claiming to be hers of twins , is an exact from the google article from 2015. Laura Owens (def.) Has shown up to my home 2 times after being asked not to come there. After blocking all 14 i message accounts which she has continually harassed me from since July 9th, She now is reaching out to me making threats of lawsuits to my work email address. Sgh has contacted the HR department in my company to confirm my email address and is threatening my career and reputation at my place of work as of yesterday and today. She is showing no sign of stopping. The Def. is stating she is in "Love" with me after 3 dates roughly 2 hours each date and is promising to have an abortion and dismiss pressing charges if I commit to loving her, marrying her and starting a family with her within the next two years. I have repeatedly asked the Def. to stop contacting myself, my family and my place of work and to also stop coming to my home - banging on my door and ringing my doorbell. I have all text messages and emails saved. I also have photographs of her outside of my home trying to contact me. I am scared for my reputation and safety and it is time to serve her a legal order of protection.</p>
