**TO THE PRESIDING JUSTICE AND ASSOCIATE JUSTICES OF  
THE COURT OF APPEAL, FIRST APPELLATE DISTRICT:**

Pursuant to Evidence Code sections 452, subdivision (d), 453, and 459, and California Rules of Court, rule 8.252(a), Appellant Laura Owens respectfully requests that this Court take judicial notice of the Register of Actions maintained by the Superior Court of California, County of San Francisco, in Owens v. Marraccini, No. FDV-18-813693, a true and correct copy of which, generated from that court's public case-information system on July 24, 2026, is attached as Exhibit 1; of Respondent's "Notice to Vacate Hearing Date of July 20, 2026," filed in that court on July 17, 2026, a true

and correct copy of which is attached as Exhibit 2; and of Respondent's "Notice of Withdrawal of Motion for Attorney Fees and Costs, and Correction of Procedural Posture Statement," filed in that court on May 7, 2026, a true and correct copy of which is attached as Exhibit 3. The exhibits are authenticated by the declaration below.

**I. Matters to be noticed.**

Appellant requests judicial notice of the following, as establishing the existence and dates of the identified filings and court actions in the superior court. Items 1 through 9 are entries in the Register of Actions (Exhibit 1); items 10 and 11 are Respondent's filed notices (Exhibits 2 and 3):

1. December 3, 2025 — Appellant's Motion to Correct and Augment the Record, and supporting declaration, filed.
2. December 4, 2025 — Appellant's Notice of Appeal filed.
3. December 18, 2025 — Appellant's Notice Designating Record on Appeal filed.
4. March 19, 2026 — Certification Notice filed and the appeal record certified to the Court of Appeal (three volumes of clerk's transcript; one volume reporter's transcript).
5. May 4, 2026 — Respondent's Request for Order re Attorney's Fees and Costs filed, with a hearing "SET FOR JUL-20-2026 AT 09:00 AM IN DEPT 405A."
6. May 7, 2026 — Respondent's Notice of Withdrawal of Motion for Attorney Fees and Costs, and Correction of Procedural Posture Statement, filed.
7. June 8, 2026 — Appellant's Notice of Motion and Motion to Correct and Augment the Record on Appeal filed.

8. July 17, 2026 — Respondent's Notice to Vacate the July 20, 2026 hearing filed, and the entry reflecting that the “REQUEST FOR ORDER RE: ATTORNEY'S FEES AND COSTS ON JUL-20-2026 VACATED.”
9. July 21, 2026 — Respondent's deposit of costs of preparation on appeal in the amount of \$537.00.
10. Respondent's “Notice to Vacate Hearing Date of July 20, 2026,” filed July 17, 2026 (Exhibit 2), including its statements that “Department 405A nonetheless continued to hold July 20, 2026, at 9:00 a.m. open on the Court's internal calendar pending possible refiling of the Fee Motion” (¶ 2), that Respondent “is not pursuing an award of attorney's fees or costs in this matter and will not be refiling the Fee Motion” (¶ 3), and its request that the court “vacate the July 20, 2026 hearing date in Department 405A and remove it from the Court's calendar” (¶ 4).
11. Respondent's “Notice of Withdrawal of Motion for Attorney Fees and Costs, and Correction of Procedural Posture Statement,” filed May 7, 2026 (Exhibit 3), including its statements that the fee motion is withdrawn “without prejudice to refiling” and that “[t]he hearing currently set for July 20, 2026 at 9:00 a.m. in Department 405A is taken off calendar.”

## **II. Relevance.**

These entries are relevant to matters placed in issue by Respondent's opposition and addressed in Appellant's reply. Entries 5, 6, 8, and 10 establish that Respondent's attorney's-fee motion was filed on May 4, 2026 with a hearing set for July 20, 2026; that although the motion was withdrawn on May 7, 2026, the superior court “continued to hold July 20, 2026, at 9:00

a.m. open on the Court's internal calendar pending possible refiling of the Fee Motion,” as Respondent's own July 17, 2026 notice states; and that the hearing was vacated only on July 17, 2026—four days after Appellant filed her motion to augment on July 13, 2026. Exhibit 3 reflects that the May 7 withdrawal was expressly “without prejudice to refiling,” and Exhibit 2 contains Respondent's first statement that he would not refile the fee motion. That sequence bears directly on Respondent's contention that Appellant's statement the matter “remain[ed] calendared for July 20, 2026” was false. Entries 1, 3, and 7 establish the timing of Appellant's successive efforts to correct and augment the record, and are relevant to Respondent's contention that the motion was untimely.

### **III. Statement required by rule 8.252(a)(2).**

Whether the matter was presented to the trial court and, if so, whether the court took judicial notice of it: The Register of Actions is the superior court's own record, and the entries reflect filings and actions in that court. The post-certification matters (items 5 through 11) were not, and could not have been, before the superior court when it made the November 5, 2025 order under review, because they postdate that order and the March 19, 2026 certification of the record. Exhibit 2 is a document filed in the superior court after certification.

Whether the matter relates to proceedings occurring after the order that is the subject of the appeal: Items 5 through 11 relate to proceedings after the November 5, 2025 order. Appellant offers them not to supplement the merits of the order under review, but solely to establish the procedural facts pertinent to the pending motion to augment and this reply.

Whether the matter was part of the record on appeal: The Register of Actions as of certification is reflected in the clerk's transcript (see 1 CT 4–13), but the post-certification matters (items 5 through 11), including

Exhibits 2 and 3, are not contained in the clerk's transcript, which is why judicial notice of the current register and of Exhibits 2 and 3 is requested.

**IV. Judicial notice is proper.**

Evidence Code section 452, subdivision (d), permits a court to take judicial notice of the records of any court of this state, and section 459 authorizes a reviewing court to take judicial notice of any matter specified in section 452. The existence and dates of documents filed in a court, and of that court's calendar and docket actions, are proper subjects of judicial notice. Appellant requests judicial notice of the fact and dates of the filings and actions identified above, as reflected in the court's own register, and not of the truth of any disputed matter asserted within any underlying document.

**V. Conclusion.**

For these reasons, Appellant respectfully requests that the Court grant this Request for Judicial Notice and take judicial notice of the Register of Actions attached as Exhibit 1, of Respondent's Notice to Vacate Hearing Date of July 20, 2026 attached as Exhibit 2, of Respondent's Notice of Withdrawal of Motion for Attorney Fees and Costs attached as Exhibit 3, and of the filings and court actions identified above.

11 LAURA OWENS,

12 Petitioner,

13 v.

14 MICHAEL MARRACCINI,

15 Respondent,

Case No. FDV-18-813693

**RESPONDENT'S NOTICE TO VACATE**  
**HEARING DATE OF JULY 20, 2026**

Hearing Date: July 20, 2026

Time: 9:00 a.m.

Dept.: 405A

Judge: Hon. Carolyn Gold

16  
17 **TO THE CLERK OF DEPARTMENT 405A AND TO ALL PARTIES AND ATTORNEYS**  
18 **OF RECORD:**

19 PLEASE TAKE NOTICE that Respondent Michael Marraccini, by and through his counsel of  
20 record, The Eagle Law Firm, hereby requests that the Court vacate and release the hearing date  
21 currently held open for July 20, 2026, at 9:00 a.m., in Department 405A, on the following  
22 grounds:

- 23 1. This date was reserved by the Court, at Respondent's request, in connection with  
24 Respondent's Motion for Attorney's Fees and Costs pursuant to Family Code section 6344,  
25 subdivisions (b) and (c) (the "Fee Motion").
- 26 2. The Fee Motion was withdrawn without prejudice to refiling on May 7, 2026, and the  
27 hearing then set was taken off calendar the same date by Respondent's Notice of  
28 Withdrawal of Motion for Attorney Fees and Costs, and Correction of Procedural Posture  
Statement. Department 405A nonetheless continued to hold July 20, 2026, at 9:00 a.m.  
open on the Court's internal calendar pending possible refiling of the Fee Motion.

1 3. Respondent is not pursuing an award of attorney's fees or costs in this matter and will not  
2 be refiling the Fee Motion.

3 4. No motion or other matter is currently pending or anticipated for hearing on July 20, 2026.  
4 Accordingly, Respondent respectfully requests that the Court vacate the July 20, 2026  
5 hearing date in Department 405A and remove it from the Court's calendar.
